Baytown, Texas ? As a proud member of the West Chambers County Chamber of Commerce (WCCCC), a custom awards shop in Baytown, Texas called Awards & Engraving was thrilled to have the opportunity of sponsoring a video highlighting small business members of the WCCCC. Being able to support fellow small businesses in the area is always a great pleasure for Awards & Engraving.

Awards & Engraving worked with Hillside Church to create the WCCCC?s first-ever small business spotlight video. The church took the role of producing the video while Awards & Engraving sponsored the production. The video premiered on Sept. 15 on social media, as well as on the WCCCC website.

This spotlight video was produced to support small businesses in the area. The video begins by highlighting Awards & Engraving as the sponsor, and then it goes on to show clips of several different small businesses. Some of these businesses include Blue Eagle Home Services, RE/MAX ? The Hannah Vaughan

Team, Stage Door Inc., Texas Farm Bureau, and West Chambers Medical Center. Each of these businesses, as well as a few others, were each given roughly 30 seconds of advertisement during the video.

Awards & Engraving is proud to have sponsored this spotlight video and their local Chamber of Commerce. They believe in the importance of supporting one another within their community, especially during the tough year of 2020.

Awards & Engraving strives to support their community in the most effective ways possible, one of which includes providing the optimal products and services that will flawlessly meet the needs of individuals and businesses.
