

Mattress Store in Pensacola Announces Upcoming Ribbon Cutting

October 28, 2020

October 28, 2020 - PRESSADVANTAGE -

Pensacola, Fla. ? Mattress Outlet, a local mattress store in Pensacola, will be celebrating their time serving the local community with a ribbon-cutting ceremony performed by the Greater Pensacola Chamber of Commerce. The event will be held on November 6th, 2020 at 11:00 am at their Pensacola showroom located at 8930 North Davis Highway in Pensacola, FL.

Mattress Outlet is a locally owned and operated mattress, bedding, and furniture store in Northwest Florida, and though they have been serving the Emerald Coast for almost 15 years, the company is always looking for new and innovative ways to give back in the most important aspect of their customers' lives, in their sleep.

?Being a member of this community is a huge honor,? said a representative of Mattress Outlet. ?With everything we?ve been through this year as individuals and as a community, it?s nice to find a bit of normality and a reason to celebrate.?

Though the event is expected to be small in attendance, members of the public are welcome to attend the ribbon-cutting and browse the Pensacola bed store for exclusive offers and a personalized shopping experience. For those who do not wish to attend, or are unable, they are encouraged to sign up for the company's email newsletter online to receive exclusive discounts and sales information.

The company offers a broad range of high-end mattresses at affordable prices with a "Better Price Guarantee" on all of their name brand mattresses. Additionally, for their customers, they provide special financing and leasing options and free door to door delivery options on select orders in addition to the removal and disposal of the previous mattress.

Mattress Outlet first opened its doors in August of 2006 and has since made it their mission to provide exceptional customer service and quality mattresses at a great price. Today, the company has expanded to a secondary location in nearby Destin, FL in addition to their Pensacola warehouse.
