San Antonio, Texas - Monarch Trophy Studio, the leading provider of awards, plaques, and custom medallions in San Antonio, Texas, recently hosted an event on September 19, 2020, called the Fiesta Medal Drive-Thru. They were thrilled with the successful turnout of vendors and customers who came to participate.

The Fiesta Medal Drive-Thru was an event held in the parking lot of Monarch Trophy Studio that allowed vendors to sell their medals, allowing customers to enjoy a wide selection of products. The vendor spots were free for those selling medals produced by Monarch Trophy Studio. Alternative vendors could join for a mere \$10.00. This event was helpful to the community because it provided a way for people to easily trade their fiesta medals or search for new ones all in one trip.

Part of the reason this event took place in a drive-thru fashion was to allow for social distancing among customers and vendors. People in cars could drive through the line of vendors while wearing a mask and

stop when they wanted to take a look or make a purchase. Not only did the first 100 cars receive a special unreleased 2020 medal, but there were also several raffles and giveaways that participants could enter. They announced the winner a few days following the event.

Looking back, Monarch Trophy Studio is overjoyed with how well the event turned out. A representative of the company stated, "With all of the changes the pandemic has recently inflicted on our country, the sense of community brought on by the Fiesta Medal Drive-Thru was a refreshing feeling!"
