November 03, 2020

November 03, 2020 - PRESSADVANTAGE -

Alfa Romeo of White Plains, an auto dealer in White Plains, NY, has revealed the kinds of services they can provide through their Alfa Romeo service center. They encourage car owners to take advantage of the services they provide to ensure that they will continue to get the best out of their Alfa Romeo. They provide a comprehensive, no-surprises approach in offering a maintenance service for the Alfa Romeo. Each time a car owner visits the service center, they will provide a complimentary service inspection and report card containing the details of anything that the Alfa Romeo will require at present and in the future.

Leonardo Didonna, general manager at Alfa Romeo of White Plains, says, "And if you're wondering how long it will take your Alfa Romeo to be serviced at our service center, it is not long at all. Our service merges speed and quality to offer you even greater value and convenience. Our precision service system expedites the maintenance process, providing a seamless experience that allows you and your vehicle to get back on the road as quickly as possible."

They also provided a complimentary pick up and delivery services. First, they will pick up the Alfa Romeo from the car owner and at the same time drop off a loaner. Second, they will service the Alfa Romeo and conduct a multi-point inspection. And finally, they will deliver the Alfa Romeo back to the car owner, with the car washed and ready to go.

One of the basic services provided is the Alfa Romeo oil change service. With their oil service for the Alfa Romeo, car owners will be able to drive with confidence knowing that their car is functioning at peak efficiency with the Genuine Alfa Romeo Premium Oil changed by the Alfa Romeo certified technicians at the service center. Genuine Alfa Romeo Premium Engine Oil has been engineered particularly for the Alfa Romeo and it is the brand of engine oil recommended for this particular car. This particular engine oil was designed to ensure optimal performance, protection and fuel economy. They only use this premium engine oil at the Alfa Romeo service center.

They also advise Alfa Romeo car owners not to delay oil service because this may result in damage to the

car, which means that owners need to keep track of the oil changes done for their vehicle. By allowing the service team at the Alfa Romeo of White Plains perform the oil change for their car, they are assured of the best possible service.

For those who need it, Alfa Romeo of White Plains also has a parts center. This parts center is ready to provide them with fast, convenient and quality service and genuine OEM parts for the Alfa Romeo. Customers can have their oil changed or their battery replaced, or their brakes inspected. This parts center can also provide OEM accessories and performance parts for the Alfa Romeo to ensure that it is customized to the owner's preferences.

Alfa Romeo of White Plains has been providing an excellent buying experience for customers for many years. Their staff will always do their best to provide a complete experience for customers. The dealership is conveniently located in White Plains and they are ready to serve the needs of people in White Plains, Yonkers, Elmsford, Eastchester, Scarsdale, Ardsley, Port Chester, Rye, Bronxville, New Rochelle, Briarcliff Manor, Ryebrook, Larchmont, Tarrytown, Pleasantville, and all of the towns in Westchester County New York.

They offer a broad range of Alfa Romeo models, such as the Alfa Romeo 4C Coupe, Alfa Romeo Stelvio, Alfa Romeo Giulia Sedan, and the Alfa Romeo 4C Spider. Their used cars inventory also offers a broad range of makes and models.

Those who are interested in having their Alfa Romeo serviced may also want to check on the website of the Alfa Romeo Westchester location, or contact them through the telephone or via email.
