Kozhikode, India ? Calicut Property, a leading Real Estate Builder and Agency Service in Kozhikode (also known as Calicut) announced today that it has launched a new website, www.kozhikodeproperty.in, that offers visitors access to a full range of real estate services in the Calicut area. The company had been operating offline previously. The site enables users to find houses, villas and flats for purchase or sale, as well as land sale opportunities.

?Real estate in the Calicut area is increasingly going online,? said Mr. Sidharthan of Calicut Property. ?We wanted to be where the buyers and sellers are. That was the motivation behind the development of this site.?

Kozhikodeproperty.in is a new, fast growing real estate group known for excellent knowledge of the local area and real estate market ? spanning multiple property types. In addition to transactions, Calicut Property provides consultation for clients on how to get the best result from a particular real estate scenario. The firm also works with an extensive local agent network and offices in different areas. ?Our method is to be professional and innovative at all times,? Sidharthan added. ?Our unique approach makes us stand out from some of the other real estate agents in the market. We get deals done.?

Calicut Property uses distinctive market strategies and unique communications to promote a wide range of property deals, including agricultural land, shops, housing plots, commercial places, buildings and independent houses. The company also offers a complete property management service. Their property management services include taking on such duties as safeguarding the property from damage, detailed reporting on payments and rental income and filling vacancies.
