September 10, 2015 - PRESSADVANTAGE -

Peerless Essentials, a health and beauty company in Jersey City, New Jersey, has launched an end of summer sale for its organic soap, which is ready to give as a gift. The gift set is now available at a 50% discount. Further details can be found at http://www.amazon.com/Handmade-Essential-Ingredients-Certified-Ready-Made/dp/B00PHH7D7E/ref=sr_1_52?ie=UTF8&qid=1441635359&sr=8-52&keywords=gift+soap.

"Our soap set is organic and 100% natural, which is one of the many things that make it so popular," says Peter Locuratolo from Peerless Essentials. "We are committed to sustainable processes, while at the same time offering something that is beneficial and simply nice. As the summer is over and people start to collect things that they can give as Thanksgiving or Christmas gifts, we thought we would give them a helping hand by offering our organic soap gift set for a limited time only at a 50% discount."

The gift set includes three bars of organic soap. Each of them has been infused with a different essential oil. The three oils are Lavender, Peppermint Leaf and Blood Orange Bergamot, and they are 85% organic. They can either be used individually, or as a set for a true aromatherapy experience.

Since having been originally released, the gift set has proven to be very popular. "Gorgeous gift box with great organic soaps all three wrapped in an elegant tissue wrap," says Joe. "Very classy. This is so nice that my wife immediately got more as holiday presents and as hostess gifts. The seller enclosed a personal note... a nice touch and there were multiple layers of protective packaging."

The three bars of soap come in a beautifully presented box. Each soap is individually wrapped in tissue paper. This will ensure that the scent from the oil doesn't escape and doesn't contaminate the bars next to it either. A paper wrap is placed around each soap that lists the scent that is used in it.

The company also encourages everybody to like them on Facebook on <https://www.facebook.com/PeerlessEssentials>. This provides people with an opportunity to remain up to date with further special offers.
