Giovanni Gonzalez, a representative for Northland Kia, says, ?Holiday season is coming around, which means it?s the perfect time for our Unwrap A Deal promotion. It?s the best way to make great savings while getting your dream car at the same time. Who can say no to that? The promotion applies to a number of our most popular models, so feel free to stop by and check out what we have on offer. We have no doubt that

Northland Kia has the perfect vehicle for you and your family.?

Northland Kia has a wide variety of models for customers to pick from, from the latest model of the Kia Forte to a well-maintained, pre-owned Kia Sportage and everything in-between. The showroom asserts that customers can rely on Northland Kia?s trustworthy team to help them out with whatever questions or concerns they may have.

In addition to selling a number of Kia vehicles, the showroom also provides vehicle servicing. Northland Kia?s service technicians are factory-trained and work in a state-of-the-art service facility. Whether a car needs regular maintenance or serious engine repairs, the company?s service team is well-equipped to get it back to its owner in a timely fashion. They also only use genuine Kia parts in order to ensure the vehicles perform to the best of their ability.

Northland Kia?s selection of both new and pre-owned Kia vehicles, and their dedication to their customers has earned them praise from the Alberta community. On the Google platform ? https://mgyb.co/s/F2Ocx ? the showroom has many 5-Star reviews from satisfied customers. In a recent review, Leiston Blanco writes, ?Had an amazing experience at Northland Kia! Sales representative Rashad, from the first minute, made us feel extremely welcome and comfortable. I never felt rushed or pressured when finalizing the sale. It was great! The best experience in a dealership in Calgary I have ever had. I will always recommend this dealership when people ask. Thank you again?

Meanwhile, Lilly Enguillo praises the company in another review, saying, ?I?ve owned several cars in the past and dealt with different car sales agents, but Robert Campbell from Northland KIA I would say exceeded my expectations. He was very courteous, not pushy and not a typical sales guy who would lure a buyer into buying a car that would give them better commissions. Robert went the extra mile to make sure that what I would be getting is in line with my current financial situation. Robert made sure that he contacted several banks to get me the lowest interest rate, which is not common to an ordinary sales guy. He made sure that I am happy with my decision and with what I choose. Because he?s more of a finance person than a typical sales guy, Robert clearly explained the current and What Ifs financial scenario of owning a brand new car. I will not hesitate to refer Robert to my friends and whoever I meet who I know would be looking for or needing a car.?
