

Fiesta Flowers Earns Spot as Top 10 Florist in Arizona

November 23, 2020

November 23, 2020 -
Fiesta Flowers Plants & Gifts, based in Tempe, AZ, is delighted to share that they have been ranked among the Top 10 Florist Shops in Arizona. The store received this recognition through the magazine Ranking Arizona (2020 edition), where the shop ultimately came out ahead of stiff competition from across the state.

Shannon Slattery of Fiesta Flowers states, ?As Ranking Arizona tells its readers, we specialize in providing flowers for virtually any occasion. We started our business with the intention of catering to those who need a one-stop shop for all their floral needs, and we have come a long way since we catered to our first customer. Today, you only need to speak with one of our representatives about the arrangement or gift you have in mind to receive their expertise on what would complement it perfectly. We aim to take the stress out of choosing the perfect bouquet or arrangement, and it is our great pleasure to let you have all the fun in the process.?

Many in the community have a preference when it comes to flowers, but the store understands that not everyone easily navigates the sometimes intricate decision of choosing the right flowers for a given occasion.

Such choices depend on many disparate factors, from the type of occasion to the season it is scheduled for and so on. In some cases, the time of day can affect which flowers are suitable as well. As a result, Fiesta Flowers gives their customers access to some of the best experts in the state, any of whom can help them pick what suits their needs best, as well as accommodates their preferences.

In addition to Ranking Arizona?s readers, customers who have visited Fiesta Flowers Plants & Gifts in Tempe are well aware of the myriad advantages they gain by choosing this professional Florist. Fiesta Flowers is a family owned-and-operated, professional, full-service florist that is committed to providing the highest quality flowers, plants, and gifts available at the fairest prices possible. The store also takes a creative approach with every customer they assist, giving them the benefit of their years-long experience in the field as well as natural talent. This creativity, Slattery asserts, goes hand in hand with the store?s ability to maintain a high degree of customer service ? a standard that is deeply appreciated by their community, as is made clear in the online feedback that Fiesta Flowers receives.

?I am so impressed with this floral store!? says a 5-Star Google review from Bosco Carter. ?We wanted to send my sister flowers for her birthday. She and her husband recently moved to Phoenix, so I just checked the reviews and prayed it would be good. It wasn?t just good, it was great! The flowers are beautiful! Exactly what we wanted! I also loved that they sent me an email with a receipt. I got a call apologizing that my confirmation email came back to them, and she wanted to let me know the flowers had been delivered. We confirmed the email, and that is when she sent my receipt. I live in Washington state, and I have Fiesta Flowers Plants in my phone for any floral needs in Phoenix!?

Other reviewers on this platform mention how easily they were able to order the flowers they wanted and have them easily delivered. Similarly, customers universally compliment the health and beauty of the flowers they received, as well the prompt actions the staff at Fiesta Flowers took to ensure their order fulfilled every expectation.

The store has been in business for more than 15 years, and they put this experience to good use on behalf of their customers. Today, given the unique requirements brought about by the COVID-19 pandemic, Fiesta Flowers has also taken additional measures to ensure customer safety at every point. Customers are welcome to contact the store to inquire after their safety protocols if they wish, and Fiesta Flowers appreciates their cooperation in these difficult times.

Similarly, Shannon Slattery and the wonderful team at Fiesta Flowers can be reached in the event a customer wishes to learn more about their flowers and how they may place an order. More information can be found on the company?s website and social media platforms as well. On the other hand, those interested
