Maroubra Commercial Cleaning Company Also Offers COVID-19 Cleaning Services

November 12, 2020

SYDNEY, NSW - November 12, 2020 -
Clean Group Maroubra (https://goo.gl/maps/saA6ugnaULwmCHQ3A), an office and commercial cleaning company based in Maroubra, New South Wales, has announced that they also offer Covid-19 cleaning and sanitation services for home, office, and other buildings in Maroubra and neighbouring areas. They can provide cleaning, disinfecting, and sanitising services through their expert COVID-19 cleaning team. To remain protected against the COVID-19 disease, it is essential to ensure that everything in the house, office, and everything that people can come in contact does not already carry the virus.

Suji Siv, The CEO for Clean Group Maroubra, says, ?We have prepared a dedicated team of Covid-19 Cleaning cleaners who have been trained in a special cleaning and sanitising process to deal with common germs, bacteria and viruses. We will do complete Covid-19 disinfection and sanitising of your Maroubra office or property, including everything from floors, doors, door handles, lightboards, window sills, kitchens, bathrooms, and more, to help your family, as well as workers, stay safe against the COVID-19 outbreak. If you believe that your office has been in the reach of COVID-19 or any of your employees have been found infected with the disease, we can also do complete sanitisation of the place to prevent the virus from spreading any further.?

The home and commercial cleaners offering the COVID-19 cleaning services by Clean Group Maroubra are committed to providing efficient cleaning services during the Covid-19 crisis situation to ensure that homes, offices, and other buildings remain safe from the disease. This particular type of cleaning service is divided into two stages. The first one is the basic cleaning stage, where the cleaners clean, sweep, and mop the floors, doors, windows, carpets, bathrooms, kitchens, etc. to get rid of any dirt, dust, and debris. The second part is the disinfection and sanitising stage where the expert cleaners will sanitise everything in the home, office, or building, such as various equipment, telephones, door handles, lightboards, monitors, keyboards, desks, toilet seats, bins, drawers, etc. to make sure that bacteria and viruses are eliminated.

The cleaners who will perform the disinfection and sanitising have been expertly trained in the tools and techniques for getting rid of harmful viruses like the Covid-19. Also, all of the cleaners have been vetted and ascertained to be experienced professionals who have the appropriate police clearance and license to offer their services. Clean Group Maroubra also has a workers? compensation insurance for all its cleaners and public liability insurance. Clean Group Maroubra (https://sites.google.com/site/commercialcleaningsydneynsw/cleaning/melbourne/maroubra-vic) offers various kinds of cleaning services in Maroubra and nearby areas. These include commercial cleaning, office cleaning, strata cleaning, carpet cleaning, school cleaning, medical cleaning, and gym cleaning. The strata cleaning package that they offer covers the complete, top to bottom cleaning of the strata, including everything from windows, floors, carpets, staircase, lifts, and more. They will also take care of strata gardens, offering regular maintenance, plantation, watering, and more. They will be cleaning every part of the strata property of the client.

The medical cleaning package is for medical centres, regardless of size and type. This includes sanitising, sterilising, polishing, and disinfecting tasks. They will provide the appropriate cleaning services for the various parts of the medical centre, from top to bottom. These include the doctors? chambers, waiting for space, couches, chairs, reception area, lamps, blinds, upholstery, bathrooms, cabinets, desks, beds, electronic devices, carpets, pantry, and play area. Their team is made up of trustworthy, skilled, insured, and licensed technicians who are knowledgeable with regards to cleaning an entire medical centre.

Clean Group Maroubra also offers a school cleaning package. They offer a premium cleaning option where advanced equipment, technology, and eco-friendly chemicals are used for cleaning schools and colleges. The goal is to provide a clean, healthy and safe environment for the children, whether they are primary or in high school. This means very clean classrooms, halls, office rooms, and auditorium. Those who are interested in commercial and office cleaning services may want to check out the Clean Group Maroubra website or contact them on the phone or through email.
