November 18, 2020 - PRESSADVANTAGE -

The TX-based Bobby Jivnani Plano Dental clinic has published a new blog article about the Plano Independent School District and how they recently received funding grants from donors. The blog post is titled "Plano ISD Racking In Funds In Prep For Challenging School Year." The grants are meant to prepare Plano ISD from the surge of remote learning across the country caused by the COVID-19 pandemic.

The school is set to receive two very large cash grants for the improvement of schools in the area, both in terms of safety and technical capacity (totaling \$500,000 and \$155,000 respectively). These grants will allow the school to purchase COVID-19 safety equipment. The \$500,000 grant is from the CARES Act, a federal stimulus package sent out to help keep the economy afloat during the pandemic. The \$155,000 grant comes from Toyota USA and will be put toward three projects, namely online science labs, computer science online textbooks and resources and a foreign language website subscription. The grant will also be used to support the district's virtual learning program by making it possible to purchase more hotspots, cameras and digital software.

The dental team at Bobby Jivnani hopes the grants mentioned in their new article make it possible for

students to get the best education possible despite the pandemic. Bobby Jivnani Plano Dental is run by Dr. Bobby Jivnani, a native of Plano. He attended Plano High School before going on to graduate from the University of Dallas with a Bachelor of Science in biology and a Bachelor of Arts in economics. He then attended the Baylor College of Dentistry and graduated with a Doctorate of Dental Surgery. He chose to practice in his hometown and acquired his practice from a former professor who had served the community as a dentist for over 30 years. He has since built an exclusive family and cosmetic dental practice in Plano.

Plano dentist, Dr. Jivnani is also an active member of the American Dental Association, Texas Dental Association and Dallas County Dental Society. He takes many hours of continuing education in order to ensure that he keeps up with all the latest advancements in dentistry so he can provide his patients the very best dental care. He also volunteers at the dental society and participates in dental missions around the world.

“Our practice philosophy is to provide excellent dental care through conservative procedures to restore our patients’ confidence and smile,” says the clinic. “Dr. Bobby Jivnani, DDS makes sure his patients are well-educated and informed about all options regarding their dental care. We use the latest technologies and materials to provide you with outstanding dental care. Dr. Bobby Jivnani, DDS offers dental care to adults and children as young as six months old, including all general dentistry procedures, including crowns, deep cleaning, fillings, root canals, wisdom teeth extractions, implants, Philips Zoom! whitening, and Invisalign®. We are proud to care for families throughout Plano, Plano, Dallas, Garland, Addison, Allen and the surrounding DFW areas. We look forward to providing you excellent care.”

Bobby Jivnani Plano Dental has received dozens of great reviews and averages a rating of 5 Stars on most platforms. One review praises the dentist’s work in particular, stating, “Dr. Jivnani has been the dentist of choice for our family even since we moved to the area (10+ years ago). He is very empathetic towards his patients and spends the appropriate amount of time in explaining the procedures. His staff is very friendly and attentive and goes out of their way to make the patients feel at home.”

A Google review of the dentist states, “Dr. Jivnani and his whole team are very nice and professional. They always go over and beyond to either explain in detail the services or follow up to make sure we stay on top of our appointments. His new office is stunning. So clean and modern. We’ve been a long time patient and, even during these times, they have taken extra precautions to make sure everything is clean and sanitized.”
