Located at 13634 St. Albert Trail in Edmonton, AB, North Edmonton Kia is a premier retailer of new and used Kia vehicles. They claim their dedicated sales staff and top-trained technicians make the auto shopping experience fun, easy, and financially advantageous. They say that the sales staff is transparent in their dealings with the customer, offering the best guidance when trying to choose a new or used vehicle. They claim the sales staff will take the time to discuss any benefits as well as any possible drawbacks to a given vehicle, allowing the customer to make an informed decision. Potential customers can look at pictures of their used car offerings at https://mgyb.co/s/9cIg7.

Once a customer has chosen a car, the dealership?s financial team will lay all of the options out in front of the buyer. The finance staff will gain an understanding of the buyer?s current situation and make expert recommendations based on the information the buyer gives them. The dealership?s goal, they say, is to get the buyers into a new or used Kia as soon as possible, for the best price available. Once the buyer has made the purchase, the dealership?s service team is going to be with them for the long haul. The service team will happily take care of routine maintenance, as well as correct any issues that pop up along the way. They claim their parts department stocks only genuine OEM Kia parts and holds a large inventory to ensure high availability. They also carry a wide variety of accessories designed to take the vehicle to the next level.

The dealership also is heavily involved in the community. When asked about the measures they take for the same, Robert Aaltonen, the spokesperson for the dealership said ?I am thrilled to see the new 2021 Kia K5 added to our already impressive lineup. This stunning sedan offers the perfect combination of style and performance at a very affordable price. This is a balance that we are now coming to expect from Kia, who is one of Canada?s fastest growing automakers in 2020 and is also leading the industry on product quality, having held down the top spot based on JD Power?s Survey of initial product quality for an incredible 6 years in a row! It?s definitely an exciting time to be a Kia dealer and I honestly couldn?t be more proud.?
