

CTX Dumpsters Receives Glowing Customer Reviews

November 17, 2020

Round Rock, Texas - November 17, 2020 -
CTX Dumpsters, based in Round Rock, Texas, is pleased to acknowledge the highly positive customer reviews they have received in recent times. The company offers many different dumpster options which deliver high quality solutions at affordable rates.

A 5-Star Google review by Brian Powell states, ?Thank you to Brian and the guys at CTX! These guys are worth their weight in gold! Needed a small dumpster to do some around-the-yard clean up, and needed it quick. Brian answered on the second ring and had a dumpster headed to my house within two hours! Amazing! Delivery guy was awesome. Dumpsters were well maintained and the door latch was easy to use. Will definitely be using these guys next time and recommend them to everyone in need of a dumpster. Thanks again, guys!? Overall this customer was extremely pleased with the efficiency and quality of the services offered.

The above review is only one of many positive pieces of feedback the company has received. In yet another 5-Star Google review, Tony Schlessinger explains, ?We had a large project come up. It was going to be a lot of work, and time was of the essence because water was intruding into a senior living facility. We needed to get to work quickly, and our start date hinged on how fast we can get a dumpster at the location. These guys were able to get it there the very next day. The entire process was easy, and I strongly recommend these

guys.?

This customer?s situation was one of urgency as it concerned a care facility, a factor which made him praise the prompt and efficient service of the dumpster rental company even more. The dumpster rental company wasted no time in acknowledging this praise, replying to the review with, ?Tony, thank you for allowing CTX Dumpsters to assist with your project. We take pride in offering the best possible experience every time.?

Meanwhile, the company observes that there is a great danger faced by humanity due to the environment being neglected. This has led to several individuals and companies coming up with a goal of creating a more conducive and cleaner environment. The use of containers and other forms of dumpsters has become a popular option, for instance, particularly among city residents. Whether they need one for their home, office or the streets, the company asserts that there are enough dumpsters for all.

Dumpster rentals offer people access to dumping solutions at an affordable cost. They are simple, of high quality and reliable. Renting dumpsters is a simple process in Round Rock and its neighboring cities in Texas.
