Baytown, Texas ? When it comes to shopping for gifts, some people are naturally difficult to shop for, no matter how close of a relationship a person has with them. Before the holiday gift search arrives in full-force, local gift shop Awards and Engraving wants to make their line of holiday gifts known to the community, hopefully relieving some holiday stress before it even has a chance to arrive.

Awards and Engraving is offering many unique gifts for the holidays this year, including humorous holiday mugs, a personalized wooden bottle opener with wine corkscrew, and fancy cutting boards that are perfect for mothers or grandmothers. They are also offering several leatherette items, such as wallets or luggage tags, that can be customized with the recipient?s name or initials. These make wonderful gifts for those who tend to be difficult to shop for because they are useful to almost everyone, yet their ability to be customized makes them unique to the recipient.

In addition, unlike many stores that tend to overlook Thanksgiving, Awards and Engraving is offering a myriad

of Thanksgiving gifts and products, such as cutting boards with Thanksgiving-related phrases and graphics, a t-shirt saying, ?She?s my sweet potato,? Thanksgiving-themed mugs, and a ?Friendsgiving? bamboo spoon for baking. These items make wonderful hostess gifts when joining another household for Thanksgiving dinner. Some families will better appreciate a humorous gift or a gift more practical than the traditional bouquet of flowers or bottle of wine.

Awards and Engraving strive to provide their community with the awards, trophies, and gifts they need. They hope to make holiday shopping a little easier this year with their wide selection of unique gifts.
