November 17, 2020 - PRESSADVANTAGE -

November 2020, Bluffton, SC - Holliday Home Improvements, the most reliable Replacement Window in Bluffton SC, is bringing its services to Georgia.

After its successful stint in SC, the windows and doors replacement company is now expanding its services in Pooler and Savannah, GA. The company says it is part of their commitment to reach more homeowners in the US needing quality replacement windows and doors. Just like in Bluffton and its surrounding areas in SC, owners Jason and Susan Holliday aim to help homeowners and businesses in GA get the best windows and doors options in the market.

The SC-born company is known in the industry for its factory-direct pricing. They offer "better products at a better price than the competition." Connecting with suppliers directly enables them to cut down extra charges that customers would have to shoulder.

"Buying direct gives Holliday Home Improvements an advantage over the competition because they don't have to pay the markup associated with purchasing from a distributor and also because of the superior

service they receive from buying products from the people who made them," the Holliday couple states.

Among the suppliers of the Home Window Replacement in Bluffton, SC are these three top outstanding companies: Sunrise Windows and Doors, Provia Windows and Doors, and Soft-lite Windows and doors. All these companies have exceptional products and warranties. Combining these three top manufacturers is also one advantage of Holliday Home Improvements compared to their competition. Only Holliday Home Improvements is able to do it.

The commitment they put towards their customers also makes Holliday Home Improvements shine over their competitors. The window installation company gives customers a price in writing and does not raise that price in the middle of the job. They also don't limit work to a "minimum" but instead help their customers maximize their money by offering options that would fit their budget.

Holliday Home Improvements also offers a warranty on both the labor and materials using certified installation techniques and quality materials. On top of that, the company's very hands-on owner likewise assures an open communication line for customers. Moreover, Holliday Home Improvements continues to improve customer satisfaction by using new techniques and technology to make the home improvement buying experience better for every homeowner.

Holliday Home Improvements offers free quotations for customers in Hilton Head and Bluffton, SC, and now in Pooler and Savannah, GA.
