

Pro Choice Roofing Deland Responds to Tornado Damaged Area and Opens New Office

November 18, 2020

November 18, 2020 -

Pro Choice Roofing Deland, a Florida roofing company, recently opened a new location and office in DeLand, Florida. The decision for the new location opening was in response to the wide spread damage from tornado and hail storms in the area. Company Representative, Leslie Steinman, stated,

"After the tornadoes and hail storms hit DeLand, Florida this summer, we are actively working to help clean up the community, and put new roofs on for those that need them.?"

More information about the company can be found here on the company?s website: <https://www.prochoiceorlandoroofing.com/roofer-near/deland/>

Last August, a tornado that touched down in DeLand, Florida minutes after a warning was issued caused \$7.4 million in damages as it tore through homes and businesses in the area. National Weather Service teams said the tornado moved northeast beginning at West Minnesota Avenue and North Ridgewood Avenue and lifted east of the Lake Lindley subdivision.

Officials said that in DeLand alone, 28 structures were affecting, meaning some sort of mostly minor cosmetic damage, while 15 single-family homes received minor damage, 14 single-family homes suffered major damage and one home was destroyed.

Pro Choice Roofing Deland, is providing storm damage inspection and repair services to help homeowners and building owners that were impacted from this summer's volatile storm season. Many homeowners are qualifying for brand new roofs from insurance because of the hail damage, and tornado activity.

Company Representative, Leslie Steinman, stated, "Our mission is to make sure no homeowners get left out that are in need of roofing services. During our storm damage roofing inspections, our technicians will do a

thorough 21-point storm damage inspection to carefully evaluate the condition of the homeowner's roof - an attention to detail that most roofers simply do not offer?.

Pro Choice Roofing Deland is licensed, bonded, and insured. They have an "A" rating with the Better Business Bureau. Pro Choice Roofing Deland has built a solid reputation in the areas they service and it is reflected in their online review ratings from past customers.

In a recent review, Adam Jordison stated, "After a recent wind storm, I noticed we were missing several shingles. My wife insisted that we call Pro Choice Roofing Deland; saying that she had heard good things online. They came out promptly. Our rep was very courteous and professional. Did a full walkthrough with us, explained what the process would be and what to expect. We were approved by insurance for a full roof replacement along with our gutters. We chose the colors we liked and the entire install took about a day. I am very happy with our experience using Pro Choice Roofing."

Adam gave Pro Choice Roofing Deland a five star rating, which is the highest rating a person can provide on a business? Google Business Listing.
