LyricsStop has published on the website the song lyrics for Hanuman Chalisa, a Hindi song that is believed to offer a way to improve a person?s health and well-being. The Hanuman Chalisa, Hanuman Chalisa lyrics, Hanuman Chalisa lyrics in Hindi are now available on the website to allow people to have very good health and wealth by regularly chanting this devotional song?s lyrics that are dedicated to the Hindu gods. Specifically, this is a song written by Tulsi Das to praise Lord Hanuman.

Devotees of the Lord Hanuman chant its 40 verses everyday to enjoy a number of benefits. If this is done in the morning, devotees are urged to take a bath first before reading the lyrics. And for those who prefer to read it in the evening, they are advised to wash their hands and feet properly before doing so. It is believed that when a person chants the lyrics of the Hanuman Chalisa, Lord Hanuman will come to solve all of that person?s problems.

Reading the Hanuman Chalisa lyrics is also believed to help those who experience nightmares because it can help in eliminating evil spirits that can harm the person. One of the verses is, ?Bhoot Pichash Nikat nahi aaven, mahavir jab naam sunave,? which means that no evil spirit can harm a devotee who takes the name of this Hindu god.

Lord Hanuman is believed to get rid of all the obstacles in the way of the person chanting the Hanuman Chalisa, allowing the person to live a happy and unhampered life. As such, chanting the verses every morning may help in getting rid of stress, allowing for a more relaxed mind.

Reading the Hanuman Chalisa before embarking on a trip is said to prevent any accidents or unfortunate events. Devotees to the Lord Hanuman believe that they are blessed by the Hindu god and are assured of having a safe journey.

And reading Hanuman Chalisa may also help people in begging for forgiveness for their sins, whether intentional or unintentional. Meanwhile, Lord Shani or Saturn is believed to be afraid of Lord Hanuman, which means that chanting Hanuman Chalisa everyday will help in reducing the suffering experienced by people. Thus, it may have help in eliminating negativity and instead provide a person with positive energy and strength. It may also help in preventing the usual health issues, such as headaches, depression, and insomnia. And because it helps people avoid negativity, there is would be less arguments with family members, with the result that people feel happy and peaceful.

The Hanuman Chalisa remains an important part of Hindu culture even during modern times. It is common to see people standing or sitting in a corner in a crowded train reading the verses of the song from a small chapbook that may be purchased from roadside shops near temples. There are others but the most popular is the Hanuman Chalisa and it is common to witness a positive glow on the face of the readers even in the midst of the problems that come with urban life.

What is surprising is that reading or chanting the verses of the Hanuman Chalisa is totally voluntary and not a requirement that is imposed by a guru or a priest.

In the song, Lord Hanuman is identified as a monkey, which in Hindu culture means someone without ego or pride. It is someone who does not have an inflated view of himself or herself. This Hindu god is also represented by a monkey because animals compete for food. As such, animals mark territories and try to dominate the area as a way to ensure they have food for their survival. Being able to outgrow such animal instincts is believed to be the divine potential of humanity. Hanuman is believed to have made the journey towards Ram, which embodies dharma, which is the path to man?s divine potential where the instinct to compete and dominate have been overcome.
