Stephanie (Sales Representative) was incredible at ensuring I was being catered to and finding the right vehicle for me. She went out of her way to make the experience fun, exciting, and focused very much on me. Daren (Sales Manager) was fantastic at making me feel comfortable and welcomed into the dealership. The professional yet friendly environment that he provided made the decision to buy a Kia Sportage pressure free and this happened at my speed. [?] Lastly the follow up and communication from the parent company that owns the dealership was a welcome surprise post sale. Robert provided a level of customer service that was the ?cherry on top? of an already great experience. I cannot stress enough about how impressed I was with this last aspect. It reiterated to me that the dealership and owners value my business and decision to buy from them.?
