December 10, 2020 -
Grace Roofing And Construction LLC, a roofing company based in Winston Salem, NC, is happy to announce that they?re offering financing options to homeowners through Enhancify. These are easy financing alternatives with rates as low as $99 per month. Homeowners may be able to check if they qualify by following the link on the company site. Enhancify is allowing homeowners to check their potential rates with a soft pull on their credit. To get financing for roofing High Point NC homeowners may want to check out the company?s website.

Richard Sakowski, owner of Grace Roofing And Construction LLC, says, ?We hope to bring peace of mind to homeowners and businesses across the NC Piedmont Triad area with our latest initiative, which is new roof financing Winston Salem, NC and roof replacement services for High Point, NC. We?re excited to join the small list of local roofing companies who offer financing. We?re excited because it means we?ve found a new way to help out our community with a premium service that doesn?t hit your wallet hard.?

There are three simply steps that homeowners will need to take to apply for new roof financing. The first step is to request for a free, no-obligation roof estimate from the company. This is essential for homeowners to know how much financing they would really require. The roofing company will visit the home to inspect the home and carefully evaluate the specific roofing needs of the homeowner.

For the second step, homeowners will visit the Enhancify page on the roofing company?s website and provide their information. Homeowners don?t have to worry because Enhancify uses secure 256-bit encryption to protect confidential data. And they also need not worry about their credit score because this will not be affected when checking their rates. Plus, Enhancify will evaluate all applications regardless of credit score.

And the third and final step is to get the funding. Enhancify will provide the homeowner with various roof

financing options to choose from and find the best one that is the most suitable based on interest and repayment terms. They will simply need to complete the online application. Those who are interested in knowing the exact location of the roofing company and other important information may want to check out their Google Maps page at https://g.page/GraceRoofing27260?we.

They want to point out that there are number of factors that make the residential roofing company stand out among the others in the NC Triad. These include: their commitment to using only high quality and guaranteed materials from dependable suppliers and manufacturers in the roofing industry; an A+ rating with the Better Business Bureau; provision of an industry-leading 10-year workmanship warranty on all roofing installations; fair and competitive pricing; and the fact that they live in the NC Triad, which means they have earned the trust and respect of the local community.

As a commercial roofing company, they also stand out because of a number of factors. These include: competitive pricing; CertainTeed certification; 10-year workmanships warranty; A+ BBB rating; friendly, professional, and transparent staff; and the fact that they are a local business.

That their roofing services are top quality is evidenced by the highly positive reviews that they have been receiving. For instance, they have a 5.0 stars overall rating on Google Maps. In one of their recent reviews, Anthony T. gave them a rating of five stars and said, ?The whole experience was great. No pressure sale, presented with a bunch of options and quality product. The work crew was professional and never left the place a mess after each day of work. They were thorough and efficient.?

When in need of roof financing High Point NC homeowners may want to consider the financing options offered by Grace Roofing And Construction LLC. They may also want to visit the company website, or contact them on the telephone or via email. They are available 24 hours a day, from Monday to Sunday.
