The company says that anyone can be a driver, but it takes expert training and several criteria to become a professional chauffeur. A driver is simply hired to drive but a chauffeur is hired to provide a safe travel experience while also providing excellent concierge-level customer service. The company requires a much more extensive background check and training. It maintains that drivers and chauffeurs are not interchangeable. The company ensures that its chauffeurs go through an intense screening and hiring process. In addition, to the chauffeur?s years of experience, the company claims all chauffeurs are provided with weekly training and updates to ensure the level of service is always remarkable.

The company claims to extend its due diligence to its fleet of vehicles. They claim to provide their clients with safe, newer, comfortable, and clean vehicles for all types of occasions and events. They maintain and keep their vehicles in exceptional condition and include complimentary Wi-Fi and chargers. They ensure all their vehicles are properly licensed, inspected, and permitted as required by for-hire officials and airport authorities. All of the company?s vehicles have higher insurance coverage than regularly required in the industry. All these safeguards ensure the client?s peace of mind.

The company also offers other services such as hotel transportation, ground transportation, non-emergency medical transportation, chauffeured services, corporate transportation, sports transportation, cruise transportation, and special deliveries. The company maintains that it is the best option for limo service in Fort Meyers, Naples, Marco Island, Miami, and Tampa.

There is a form on the website to book a new reservation. There is even a contact form to get in touch with the company for any queries. They can also be reached at their phone number (877) 495-4747. They are associated with the National Limousine Association. The company has a PAX professional chauffeur certification. They are rated A+ by the Better Business Bureau. Customers can browse through the company?s fleet of cars on its website.
