Fabian Moreira, owner of Moreira?s Service Dumpster Rental, says ?There comes a time in every homeowner's life when it becomes necessary to do a deep clean of their house, and depending on how often your house is cleaned and how much stuff you?ve accumulated, you might find the need to rent a dumpster just to get rid of the unwanted junk. At times like that, Moreira?s Service is here to help.?

Moreira continues, ?Of course, it?s not just for a home cleaning project you need a dumpster. Renting a dumpster becomes necessary for clean up during or after a home remodeling, re-roofing projects or any other major landscaping projects. Whatever the project, we are sure that Moreira?s Service can find the perfect dumpster for your needs.?

The services provided by the company have earned them praise from locals. The company has a 5-Star rating on their Google profile alone. Kerri Craig says in their recent review, ?I?m moving and had various junk items. My appointment was 9-11am, The guys arrived before 9:30am and were great. They had to remove a broken, very heavy treadmill from upstairs. They took the time to be careful not to damage my floors or walls. They then removed all my other junk items quickly and safely. Very impressed, and will call this company again when needed. Definitely recommended.?

Meanwhile in another review, Ashley Chabot says, ?We rented a dumpster from this company. I've rented from another company before and planned to go with them again, but due to unavailability and long wait times, I decided to look at other options. Moreira had comparable prices and could provide a dumpster the same week. They were very quick to respond to emails and were willing to work with my schedule. We filled the dumpster way quicker than anticipated, and Moreira's was able to pick it up early, which was very helpful to us. Great service that I'll use again. Very highly recommended!?
