Duluth Chiropractic Clinic Receives New Google Review For Friendly, Family-Like Treatment

December 14, 2020

DULUTH, GA - December 14, 2020 -
Arrowhead Clinic of Duluth, GA, has recently received a 5-star review for offering friendly, warm, and family-like chiropractic treatment for accidents, sports, slip and fall, and work injuries. The clinic is rated as the number one Duluth chiropractor serving Georgia and South Carolina for over 40 years. The latest review adds to its admiration and acclamation for providing the most friendly, personable, and professional care to treat injuries.

Cindy Japps writes on Arrowhead Clinic's Google page in Duluth, "Everyone at the clinic is very friendly, warm, and even funny! I couldn't ask for a more professional team that treats me like family! I like them so much I come for my office visits from Gainesville. I strongly recommend them! Thank you Arrowhead Clinic-Duluth for everything you are doing for me!"

Their review provides an insight into how chiropractors at the clinic ensure patients receive treatment without any hassle. Their friendly disposition makes them feel like a family and forget the usual doctor's office scenario. The treatment focuses not only on the injuries and physical health of a patient but also emphasizes support to achieve overall well-being.

According to Dr. Darris Gentry, D.C., of Arrowhead Clinic, "The level of friendly interaction and comfort we are able to provide improves mental health and protects patients from the treatment stress. We ensure our protocols remain personalized, clinically effective, safe, and cost-effective, ensuring maximum possible benefit to patients visiting."

He adds, "Our chiropractors want to partner with patients on their road to well-being and treat them as a part of the family. They provide education on health, exercise, and even psychological and physiological principles to help improve the quality of life and overall health. I am grateful to Cindy for the review, which leaves a testimony to the overall process we follow during the injury treatment process."

The clinic has a 5/5 review score on its Google page and is well recognized for its welcoming ambiance, friendly approach, and concerned feel. Erica Burk's review takes note of this and says, "This is the most friendly doctors' office I have ever been in. Dr. Gentry goes above and beyond to make your experience as pleasant as possible. The staff always has a smile on their face and are very welcoming."

Arrowhead Clinic makes an impact with an experience that is pleasant and worth appreciation. Patients find friendly doctors to deal with, and this improves their level of comfort, the foremost factor in a successful treatment. Adding to this, the staff goes above and beyond to make their experiences as pleasant as possible. A welcome with a smile and efforts to make patients laugh, forgoing discomfort ensure they remain relaxed and calm at an otherwise stressful time.

Jennifer Hernandez sums up her overall experience as "Jess was great and attentive. We were running a few minutes late and instead of being rude or upset, she was very understanding and polite. She has great customer service skills. We were seen by Dr. Gentry and he listened carefully to our concerns and took his time explaining the process. We highly recommend their facility."

As mentioned on the clinic's website, Arrowhead Clinic specializes in car accident injuries and physical and financial recovery. While chiropractic and medical doctors treat and document injuries with care and scrutiny, the clinic also helps you connect to personal injury attorneys to help settle your case.

Arrowhead Clinic has a long history of successfully treating pain conditions, accident injuries, whiplash, sports injuries, chronic neck and back conditions, and work-related injuries. Those who are interested in learning more about the clinic and its services should visit arrowheadclinic.com for more information. For people who are looking for effective, non-surgical treatment and pain relief therapy, call (800) 961-7246.
