December 16, 2020

Akron, Ohio - December 16, 2020 -
A client of TK Roofing and Gutters has posted a Google review highlighting the excellent quality of work done they performed and how it has won all-around praise from his neighbors. According to the review posted by George Elmore, "from start to finish, the contractor was extremely responsive and did a great job. Even my neighbors commented on the excellent quality of roofing service."

The Akron, OH roofing contractor offers roofing services for both single homes and multi-homes. With expertise in flat roofs, rubber roofing, asphalt shingles, and CertainTeed's roofing systems, it provides high-quality in roof repair, roof replacement, storm damage, and emergency tarping. The contractor is among the selected three percent of specialists who are certified as the Select Shingle Master by CertainTeed Roofing Systems.

Customer satisfaction and premium quality are the focus for TK Roofing and Gutters. Utilizing the same crew since 2007 they are one of the most experienced Ohio roofing contractors. They ensure high-quality services while maintaining the highest standards of friendliness and professionalism. They offer no contact, no-cost quote, and can even handle the entire insurance claim process.

Emphasizing quality as the keystone of his work, Daryl Gentry, the owner of TK Roofing and Gutters, says, "As one of the top residential roofing contractors in Ohio, we treat each project as if it were our own. We make sure the job is done right as if we were doing it for our family members. The roof keeps us safe and dry during bad weather, warm during the winter, and cool during the summer. Making sure you have a quality roof on your home is integral to keeping it protected. We see each client as one of our family members and work to make sure there is no risk posed to a family member."

Another review posted by Shirley Zukas, who got their damaged roof repaired by the OH roofing contractor, mentions, "They were very diligent in following up with us and making sure our insurance company followed

up as well. When it came time for the roof to be installed they made sure everything went as planned. The crew was so friendly and worked really hard. They were on time and got right to work. And, once the job was complete, they walked around our home to make sure that not only they were satisfied with his crew's work and clean-up, but that we were satisfied as well. Let me tell you, we were VERY satisfied!!! In fact, we were so satisfied that TK Roofing and Gutters is installing new siding & shutters on our home as well. They gave us some great remodeling ideas and were so much fun to work with."

Family-owned and focused on serving the local communities in the state, TK Roofing and Gutters puts customer satisfaction above commercial considerations. It uses the highest-quality roofing materials and offers the longest warranty in the roofing industry. This is an indication of their ability to do the best quality work and cements its reputation as the most dependable roofers in Ohio. From roof repairs to roof replacements, the quote it offers is the most competitive. Every job is done within the fixed timeline and attention is paid to make the whole process very easy and hassle-free.

Charlie Patterson talks about the OH roofing contractor in glowing words, "TK Roofing and Gutters has been excellent to work with. Their bids are very competitive and they have been easy to deal with getting an estimate. They have had good follow up and helped me pick a tile I liked for my property. It was quick to get on the schedule and they went over and beyond to help me out. Great company."
