September 16, 2015 - PRESSADVANTAGE -

Tampa, Florida based USA Exterior has announced the launch of a new website, which was designed to make shopping for home improvement products easier for consumers and retailers. The online store, which can be found at <http://www.usaexterior.com/>, features a number of products that homeowners will need when remodeling, including a wide selection of shutters and hardware to go along with them.

Company spokesperson Obi Green said, "We are excited to have our website up and running. We strive to provide our customers with the very best in home improvement products, and this is just one more way that we can help to meet their needs."

USA Exterior offers a number of exterior residential and business shutters, as well as various accessories for improving the outside appearance of structures. All shutters provided by the company can be easily installed by the purchaser, and they offer installation guides with step-by-step instructions, as well as online and telephone support.

Currently featured on the new site are raised panel and open louvered shutters, board and batten designs,

Atlantic and Bahama designs, and a guide to the company's Shutter-Lok installation. The site also offers tips and guidance for purchasing shutters and style guides to help home and business owners to choose the shutter that will give their exterior the best overall appearance. There are other perks on the new site as well.

"One of the best aspects of our site is our Customer Value Program," declares Obi Green. The program allows consumers and contractors to sign up for an account, with various plans to fit a number of needs. Members receive exclusive deals and promotions, freebies through weekly newsletters, and coupons. In addition, all members receive free shipping on qualified products throughout the site. The company's site also offers links to their Pinterest and Facebook pages, where they post inspirational images for consumers looking for a unique home improvement project.

The consumer value plan enables consumers to enjoy up to 40 percent off their products, and offers social media specials and email promotions. A contractor program is also available. More about the programs, and the products that the company provides, can be seen on the website.
