

Bobby Jivnani Plano Dental Comments On Plano ISD 2021 Updates

January 18, 2021

January 18, 2021 -

Bobby Jivnani Plano Dental, based out of Plano, Texas, has published a blog post on their website commenting on Plano ISD's 2021 updates. Bobby Jivnani Plano Dental offers a variety of dental services, including general dentistry, oral surgery, cosmetic dentistry, orthodontics and more for the residents of Plano and the surrounding areas.

The blog post highlights a new article published in the Community Impact magazine that outlines plans for the upcoming year. A December 8 article reports that the final calendar for the 2021-2022 school year has been finalized. The article reads, "Plano ISD's 2021-22 school year will see classes begin on a Wednesday for both the first and second semesters next year. The Plano ISD Board of Trustees unanimously approved the new calendar during its Dec. 8 meeting, though trustee Jeri Chambers was absent from the meeting. The new calendar will include 84 instructional days during the first semester and 91 during the second. School starts Aug. 11, 2021, and wraps up on Friday, May 27, 2022."

Another article published on December 11 comments on the difficulties encountered in the 2020 school year: "Plano ISD will see a slight district-wide decrease in students opting for face-to-face instruction at the start of

the spring semester, according to data released Dec. 11. Results from the most recent parent decisions show a slight drop to about 53% of students in the face-to-face environment once classes resume after the holidays. Families were given the option to change their learning method in November. About 47% of students were signed up for in-person learning at the beginning of the year. For the second nine weeks, that percentage increased to 55%, according to district data.?

Bobby Jivnani Plano Dental says, "2020 has been difficult on everyone, and it is no surprise that the Plano ISD has had to deal with a number of challenges. However, it is very clear that they have been working hard to adapt and ensure that things remain as close to normal as possible for the students whose lives are affected by the pandemic. It should really be a point of pride for all of us how Plano ISD has remained on top of things this year, all things considered, and the fact that it has even given students the power to choose how they would like to learn during this pandemic should absolutely be lauded.?"

Bobby Jivnani Plano Dental cares about their community, a fact that is evident in their services and patient reviews. The Google profile of this Plano dentist has a perfect rating of 5/5 Stars (from more than 230 reviews). In a recent review, Narayansa Badi writes, "I had tooth trouble for the last week. There was a sensation in the last tooth, right side top. I went at 8 am today and finished the paperwork in five minutes. I was taken to the dentist's chair immediately. After preliminary checking and X-rays, Doctor Bobby entered. Doctor examined and discussed the problem area, solutions and time frame details. Job was completed in one and a half hours. I am quite happy. No problem now. The ambiance of the dental clinic is excellent. Service is top quality. Dr. Bobby Jivnani and his services are awesome.?"

Aaron Fairouz says, "I had my wisdom tooth removed on a Thursday, and it became a dry socket over the weekend. This is very painful. Dr. Bobby Jivnani and his team contacted me over the weekend to check on me. I was in so much pain, they told me to come into the office on a Sunday to take care of the issue. I didn't even ask or think Sunday was an option, but I'm glad it was. Their entire staff is very friendly and knowledgeable. They take the time to explain to you everything you need to know. I've been coming here for a few years now, and it's always been a good experience.?"

Learn more about Bobby Jivnani Plano Dental, their history in the dental field and the wide-ranging services they provide on their official website.
