Vanessa responded to our initial inquiry over the weekend and followed up with quotes. There were a few uncertainties due to differences in the type of vehicle quoted vs. the vehicle images on the website. Vanessa reached out to me directly to ensure I understood the options. When we arrived at the airport, we were greeted in baggage claim and escorted to our vehicle. It was a comfortable, safe, and enjoyable ride. I highly recommend Sunshine Limo for their personal service, professionalism, safety, and friendliness.?
