Clean Group is a commercial cleaning company based in Brisbane (https://g.page/office-cleaning-brisbane?share) and providing services in all major & minor suburbs around Brisbane city. The company provides a complete range of commercial cleaning services for a variety of business properties with a specialization in office cleaning, both large and small. Now, Clean Group also offers complete carpet cleaning, steam & dry cleaning services to offices and all other types of commercial premises in Brisbane.

Started in 2018, Clean Group is now one of the leading commercial cleaning companies in Australia. The company has offices in all major cities, including Sydney, Brisbane and Melbourne and provides services to over a hundred clients across the nation. The latest addition to Clean Group Brisbane?s office cleaning services is carpet cleaning & restoration service, which includes both dry and steam cleaning of carpets.

?While most cleaning companies only provide either dry cleaning or steam cleaning services, we at Clean Group offer both types of carpet cleaning and can also perform minor repairs to help restore your office carpets. You can hire our carpet cleaning service as a part of our office cleaning package as well as an independent service based on your carpet cleaning needs. We offer a 100% satisfaction guarantee, which means you only have to pay us once you are completely satisfied with the service provided, says Suji Siv, owner and CEO of Clean Group.

Over the years, Clean Group has established itself as a market leader by consistently delivering exceptional cleaning results to its commercial clients. As a full-service commercial cleaning company, it provides a variety of services, including office cleaning, strata cleaning, school cleaning, store cleaning, warehouse cleaning, gym cleaning, and others. Basic carpet cleaning, dusting and vacuuming are included as standard in all commercial cleaning packages. However, for specialized carpet cleaning needs such as steam cleaning and dry carpet cleaning, a separate service can be hired from Clean Group.

The thing that separates Clean Group from other office cleaning companies in Brisbane is their commitment to quality. The company has a strict eco-friendly cleaning policy that requires all its cleaners to use only green & non-toxic cleaning solutions that are safe for carpets, the environment and humans. Also, Clean Group is one of the few companies in Brisbane that provide a complete range of carpet cleaning services, including both dry and steam cleaning. Besides carpet cleaning, the company also offers a number of related services like rug cleaning, upholstery cleaning, couch cleaning, and more.

Headquartered in Sydney, Australia, Clean Group has branch offices in Brisbane and Melbourne with dedicated in-house teams of cleaners. The company never uses third-party cleaners or outsources work to any other company in order to maintain the clients? trust. Clean Group has a team of more than 50 full-time cleaners who have huge experience in cleaning offices and other commercial establishments in and around Brisbane. They understand the cleaning needs of Australian businesses and are always willing to offer bespoke solutions to meet the particular requirements of a property or client. For instance, their cleaners can be hired before, during and after-hours cleaning of offices as well as for weekend cleaning. Another thing that makes Clean Group the #1 choice of many local businesses in Brisbane is their ability to offer high-quality office & carpet cleaning services at a low cost. In fact, it is one of the top cleaning companies in Australia in terms of cleaning service price. Also, routine and recurring clients of Clean Group may get special discounts and offers from the company. For example, the company is now offering free first COVID-19 disinfection & sanitizing service for all its new routine cleaning clients. This includes new office cleaning and carpet cleaning clients in Brisbane.

Clean Group?s regular carpet cleaning is recommended for businesses that have frequent visitors in their places, such as offices and local stores. For places that welcome a lot of pets and/or children, steam carpet cleaning is recommended that will make the carpets free from all kinds of pet hair and stains. For quick cleaning of carpets in a limited time, dry cleaning is the best, as it takes less time and can give satisfactory results.

Business owners in Brisbane looking for a reliable office cleaner for their carpet cleaning needs can contact Clean Group to request a free on-site quote.
