A spokesperson for the company says, "We know it can be difficult to get out of a tough situation such as a broken-down vehicle. Many people rely on their cars for their day to day livelihood. Problems such as a flat tire or a dead engine can have a major impact on their lives. In such a situation, the first course of action is to immediately move the car to a mechanic shop for repairs. You need a towing service that is on time and reliable to make sure your car reaches the destination safely and as soon as possible. Our professionals have dealt with this kind of situation many times over. If you happen to be stuck in Long Beach, for whatever reason, with an unresponsive or damaged car, we recommend our best in class services to make your towing experience as smooth as possible."

A review of the service by Deandre Leandro says, "I don't know anything about cars and when Jeffrey arrived! My BMW roadside assistance said it could take up to 60 minutes, but they showed up in less than 20 minutes. He helped me with all my tires and even recommended next steps that would be affordable and quick." Another review by Spencer Denice says, "Mom's car died. Had to tow it home since the coolant is leaking. They responded quickly and kindly to our request. Price was fair and service was quick."

A review by Shields C. says, "I made couple different calls to tow companies before I found this one. I'm so glad I did. The driver was on time and professional. I'd recommend them. Thank you." A review by Brooke Bell says "I can only write an excellent review. I called him and told him that my car broke down and I need to take it to the mechanics shop in the morning. He arrived at the right time, was precise, polite!"

A review by Ruben Aline says, "They a very reliable, responsible and trustworthy business. They accommodate my urgent towing need." A review by Crystal Nixon says, "Great company!! Really great tow truck. Brand new trucks and everything. Love it!!" A review by Rochelle Harvey says, "My car needed towing to a mechanic and I called a different service at first to get it. They never arrived. So I called asap long beach Towing. Asap came in 10 minutes, was so kind and helpful, and brought me to a great mechanic. I am so grateful that they towed me and not the prior service!"

A review by Heidi Fournier says, "I was stuck with a flat tire, well after hours. Google was a great help to find someone nearby, but one call was all it took. 20 minutes later I was on my way home Great people!" A review by Mercedes Wood says, "Asap was great, helpful, interesting and he replaced my battery and the car started up. Made a dead battery not a bad thing. Thank you so much for the help." A review by Emily Champagne says, "This is one of the most professional towing services I have ever used. They showed up on time as promised, the prices are reasonable, and the driver took special care with my car. I highly recommend their services to anyone stuck and they are open 24/7."
