Destin Mattress Store is Relocating at the End of the Year

December 31, 2020

December 31, 2020 - PRESSADVANTAGE -

Destin, Fla. ? After serving their community for over a decade, Mattress Outlet, a Destin mattress store, is relocating their Miramar Beach showroom at the end of the year.

The modern, spacious facility, located just west of Florida's Scenic Highway 30A, will benefit Mattress Outlet customers by providing additional space for their expansive inventory, allowing customers to experience an in-person, personalized, and private shopping experience. Customers will continue to work with their same Mattress Outlet sales associate throughout and after the relocation.

The biggest change loyal customers can expect will be the shopping experience Mattress Outlet provides. As opposed to the typically aimless mattress search, the company is looking to provide a customized, private experience in their new location. Interested parties will be able to schedule a convenient time with the team to come to the warehouse for a one-on-one appointment to help customers find, try, and buy their new mattress. This allows the customer to receive personalized attention and a stress-free shopping experience.

?We feel so privileged to be able to service the Destin and Santa Rosa Beach area because this is also our community. Many of those homeowners are looking ahead to the tourism season and just need an easy, reliable way to ensure their guests have somewhere comfortable to sleep,? says a representative of the company, ?Everyone deserves a good night?s sleep.?

The move is expected to take place over the final weeks of December, and the new warehouse, located at 161 Goldsby Rd. Unit G4 in Santa Rosa Beach, FL, will reopen on the first day of January in 2021.

Since opening their doors in 2006, the Destin furniture store has made it their mission to provide unparalleled customer service and quality mattresses at a great price. Mattress Outlet offers a wide variety of name-brand mattresses, in addition to bed frames, furniture, and more. To date, the company offers locations in both Destin and Pensacola to serve their customers across the Emerald Coast. Additionally, for their customers, they provide special financing and leasing options, as well as free door-to-door delivery options on select orders, in addition to the removal and disposal of the previous mattress.
