5-Star for TK Roofing and Gutters for Excellent Roof Replacement Services

January 04, 2021

Akron, Ohio - January 04, 2021 -
Akron roofing contractor, TK Roofing and Gutters, is proud to showcase its latest positive review from a customer for its commitment to quality service in roof replacement. Describing the kind of customer service they got from the Akron, OH, roofing contractor, Carl Winter writes, ?Great product and great customer service! I'm really glad I chose TK Roofing and Gutters because I was afraid of all of the fly by night roofers you hear about and I know I got a company with a great reputation.?

TK Roofing and Gutters has earned a great reputation for its product quality in replacing roofs. The Akron roofing contractor has years of experience in roof replacement. They value customer service and customize roofing projects as per customer preferences. ?I got to customize my options and I know the products that were used are of great quality. I was also treated better by their staff than most of the other roofers that came by after the storm. Overall I would choose them again,? adds Carl Winter in the Google review.

Quality is at the root of TK Roofing and Gutters? work. Owner Daryl Gentry leads a highly motivated and experienced team of roofing specialists that are proud of being the best roof replacement company in Ohio and treat each project as their own. ?We make sure the job is done right as if we were doing it for our family members,? says Daryl Gentry, emphasizing the need for a quality roof to keep inhabitants of a property ?safe and dry during bad weather, warm during the winter, and cool during the summer.?

The 5-star feedback from Carl Winter notes the Ohio roofing contractor?s commitment to quality roof replacement services, saying ?I'm confident that I have an awesome roof and that I won't have any problems with it but if we have another bad storm that requires me to replace or repair it again I'll choose TK Roofing and Gutters.?

The family-owned roofing company in Akron, OH, is focused on delivering excellence in its roofing construction and replacement projects for the local communities. TK Roofing and Gutters has accomplished

several successful roof replacement projects in Ohio, putting customer satisfaction above commercial considerations. ?We use the highest-quality roofing materials and offer the longest warranty in the roofing industry.?

Akron?s leading roofing replacement contractor offers the most competitive quotes to the satisfaction of customers, finishing all projects within the deadline while paying attention to detail. No doubt, TK Roofing and Gutters has earned a reputation as the top roofers in Ohio. ?From roof repairs to roof replacements, we offer the best quotes and work hard to ensure customer happiness.?

Chris Muzic, another happy customer of the company, says ?I had my roof completely replaced. The quality of workmanship was absolutely top-notch. They use good materials and don't cut corners. The quote was great and actually beat out multiple other companies. These guys had my roof done in basically one day, talk about impressive. I live in Northfield they are out of Akron and had no problems with distance. TK Roofing changed my perception of roofers they could not have been more professional.?

Another valued customer of the Akron roofer, Laura Ryan, who is happy with the customer-first approach says, ?The company did a great job on our roof replacement. They were professional, speedy, and did a great job. I would highly recommend this company for any repairs. I will definitely use them in the future.?

The fully insured and bonded roofing company has more than two decades of experience in the roofing industry of Northeast Ohio.
