February 19, 2021 - PRESSADVANTAGE -

Phoenix, Arizona-based car detailing service D.I. Auto Care is pleased to announce that they can provide interior detailing services at the comfort of their customers' homes or offices in the Phoenix area. The company has made a name for itself by providing stellar detailing services for a variety of vehicles, including cars, trucks, motor coaches, RVs, planes, boats, high-performance cars and more. Information about the company's services can be found at the following link: [Interior Detailing Phoenix](#).

Paul, a representative for the D.I. Auto Care, says, "It's bad enough that we don't always have the time to take our vehicles out to the local car detailing company to have them detailed, but in the past year, what with the widespread nature of the global pandemic, it's become a very hard task to do even though we have had lots of time. While this can be quite frustrating, especially if you are someone who treats their vehicles properly, you don't quite need to worry about it anymore because D.I. Auto Care will bring our services to you."

He adds, "Keeping the inside of your vehicles well-maintained is something that a fair amount of people tend to overlook, even if they take care of the outside. The truth is, if you want to sell your vehicle at some later point, having a well-maintained interior is something that is going to have a great effect on all your potential buyers. The interior detailing service that we provide can get your car's interiors looking as close to brand new as possible. This means that if you stick to a reasonable schedule, your car will never have to look old."

All homes and businesses in Phoenix and the surrounding areas can take advantage of D.I. Auto Care's mobile interior detailing services. The company assures that they will come to their customers at a time of their choosing and carry out a comprehensive interior detailing service in a timely manner and at an affordable price. Of course, should they wish, customers can also have the exteriors of their cars detailed. D.I. Auto Care promises that all of their detailing technicians will also strictly adhere to the COVID-19 safety guidelines and ensure that a safe distance is always maintained to keep everyone involved protected from harm.

The high quality of services provided by D.I. Auto Care has earned them a lot of positive praise from their community. On the Google platform, the mobile detailing provider has a near perfect rating of 4.8 out of 5 Stars. Ericka Demetree says in her review, "I just had my windows tinted on my husband's BMW for his birthday present. Paul helped me keep the surprise, and he came out early Sunday morning on the day of my husband's B-day party to tint the windows on his car. My husband was very happy and was impressed with the quality of the work. Great job. Thanks."

In another review, Edward Brice says, "I had Paul come out to replace my front windshield, and I realized he also does window tinting. I had him put the strip along the top of my windshield and tint the whole car while he was here. Amazing service and excellent quality of work. I was referred by a friend of mine who has been using Paul for over 20 years, I would highly recommend it."

The company provides more than just mobile detailing and auto detailing services. Customers of D.I. Auto Care can also take advantage of the company's expertise in other services, such as window tinting, tint removal, ceramic paint protection, auto glass windshield repair and replacement, car waxing and buffing and more.
