The agency has earned several awards during its 12 years of existence and one of the most recent is the Best of Local Insurance Agency Award by the readers of the SWVA Living Magazine and the Roanoke Times. The agency has also recently won the Division 1 Erie Insurance Annual Branch Meeting Tier 4 Achievement Award and the Travelers Insurance Mid Atlantic Silver Award. They specialize in Erie Insurance (<https://www.erieinsurance.com/agencies/dd4031>), which has been serving the auto, business, home, and life insurance needs of customers since 1925.

Derek Wiley, Owner and Agency Principal at Derek Wiley Agency, says, "Our agency has evolved to become the Derek Wiley Agency I'm proud to be the owner of. It is a true independent insurance agency with the ability to offer customers multiple coverage options and quotes from different insurance carriers. I have over a decade of experience in the insurance industry and my claims and agency backgrounds have equipped me with the knowledge to tailor insurance solutions to meet all my clients personal and business insurance needs."

Derek Wiley Agency is focused on automobile/car insurance, business/commercial insurance, and homeowner's insurance. Derek began his career in the insurance industry as a claims adjuster. Later on, he became a Senior Litigation Representative. He established the Derek Wiley Agency as an exclusive insurance agency representing a single insurance company but he soon realized that his clients could benefit more if the agency offered coverage and price options from various insurance companies.

Auto insurance coverage is essential because accidents do happen, and the insurance offered by the agency can cover cars, motorcycles, trucks, recreational vehicles, snowmobiles, all terrain vehicles, and more. It also

covers the event where the policy holder gets hits by an object such as pole or a tree that's not included in a comprehensive car insurance. The auto insurance coverage will also include the friend or relative who borrows the car and gets into an accident. Meanwhile, the business insurance that they offer covers a wide range. These include business auto insurance; commercial property insurance; business umbrella insurance; crime, theft & fraud insurance; workers' compensation; commercial & contract bonds; key person life insurance & business continuation; group life insurance; business data breach coverage; employment practices liability insurance; and more.

With regards to homeowner's insurance, policyholders can take advantage of the Guaranteed Replacement Cost coverage, which ensures that costs for rebuilding the entire house will be covered. Each particular policy can be customized based on the preferences of the homeowner. Various kinds of coverage can be added, such as water backup & sump overflow coverage; personal liability coverage; identity recovery coverage; service line protection coverage; and more.

Meanwhile, several clients of the Derek Wiley Agency have expressed their satisfaction through customer reviews on Google, where the agency has an overall rating of 4.9 stars. In one of their latest reviews, Megan L. gave them five stars and said, "Sharee is awesome! She has saved me and my family a lot of money each year on car insurance. Every year she makes sure that we are getting the best rate and coverage. Any questions I have she answers them. Best insurance agent ever!"
