CTX Dumpsters Provides Dumpster Rental Services in Taylor TX

January 07, 2021

Round Rock, Texas - January 07, 2021 -
CTX Dumpsters has announced the type of waste and junk that is allowable in its rental dumpsters. Following the rising cases of illegal dumping In Texas especially during the holiday season; the company says that it has found many disallowed items in their dumpsters. It warns customers that these prohibited items are illegal and attract punitive dumping fees at the landfill and sometimes, fines by the local authorities.

?Dumping of hazardous waste, medical waste and toxic waste in our containers is prohibited by the law. Unfortunately, we have seen a lot of cases of contamination and illegal dumping in our dumpsters during the holiday period. We want to caution our customers to be vigilant when they rent dumpster containers and they are placed on their property. In some instances, we think that customers are not aware and some of these contamination incidents are as a result of rampant fly tippers,? Jeremy Thraillkill stated during a press release.

According to the company website, CTX Dumpsters allows almost all types of household junk and waste as well as construction waste. These include: items like furniture, yard waste, cloths, paper, carpeting, roofing shingles, drywall, general household waste, e-waste, refrigerators, mattresses and hot tubs. The company

also allows different types of construction waste in their dumpsters but does not currently accept dirt, concrete, bricks, rocks or manure.

?CTX Dumpsters takes the safety of its employees, customers, and environment very seriously. Like all licensed dumpster rental companies, we practice and follow all precautions to avoid Items such as batteries, harmful chemicals, flammable liquids including paint, oil, asbestos, any other hazardous items are not allowed in our dumpster rentals. We will ask you to remove all hazardous waste and other items not allowed from the dumpster for rent. Hazardous items can have a different classification depending on the location of the landfill,? Jeremy added.

Jeremy also advises the public that hazardous waste and medical wastes are not only toxic to the environment but can also cause harm to human beings and animals. They usually require specialized disposal that is often provided by the city?s waste collection.

Besides Taylor, TX, CTX Dumpsters also provides dumpster rental services in nearby areas in Central Texas including Austin, Round Rock, Cedar Park, Pflugerville, Leander, Georgetown and Hutto. Their dumpster rental containers come in three sizes; 10 yard dumpsters, 13 yard dumpsters and 15 yard dumpsters. They mainly concentrate on residential dumpster rentals and construction dumpster rentals. This is according to information we found on their website.

Those who have a project coming up that would require them to rent a dumpster in Taylor or the nearby areas, are welcome to visit the company?s website to find more information on their dumpster rentals, their pricing and the items it allows in their dumpsters as well as items that are prohibited.
