Clean Group Launches New Website Dedicated to Melbourne Cleaning Services

January 13, 2021

Melbourne, Victoria - January 13, 2021 -
Clean Group, a full-service commercial cleaning company in Australia, is proud to launch the all-new website for its Melbourne division. The company provides services in Sydney, Brisbane and Melbourne and is also planning to expand services to Canberra. With the launch of the new website, users and potential customers of Clean Group can now find complete information about the company, their cleaners & services as well as request a free quote right from the website.

?The new website is aimed at making it easier and more intuitive for customers to use our services. We are using a completely fresh design, which is more attractive and user-friendly. Right on the top of the page, you can see our introductory video to get a glimpse of the life at Clean Group, including how we work, the services we provide and the tools we use. Throughout the website, we have used unique and high-quality content that?s easy to grab," says Suji Siv, owner and CEO of Clean Group Melbourne.

Clean Group Melbourne (https://g.page/office-cleaning-melbourne-vic?share) has been in business for over 20 years now. The company provides a wide range of commercial cleaning services to all types of business properties and real estate owners in and around Melbourne. As of now, they offer services in over a hundred suburbs of Melbourne, including Aintree, Balwyn, Belmont, Belgrave, Altona, Albert Park, Brooklyn, Burwood VIC, Collingwood, Elsternwick and Flemington.

The demand for good cleaners has always been high in Melbourne. There are hundreds of offices, retail stores, malls, schools and other commercial buildings throughout the city that need regular cleaning. Compared to that, the number of reliable & experienced cleaning companies is scarce. The demand for expert cleaners in Melbourne has further boosted because of the ongoing COVID-19 pandemic, which has forced local businesses to start paying more attention towards the proper cleaning of their premises for the safety of both their workers and their customers.

Clean Group has been doing its bit by consistently helping businesses maintain safe & healthy work premises for their people. Unlike most other companies, Clean Group didn?t shut its doors even during the pandemic and was tirelessly providing services to help keep businesses running. Their corona cleaners have helped hundreds of local property owners during this period and continue to provide disinfection cleaning services to offices and businesses looking to reopen as the conditions improve.

In the past year, the company has grown significantly, not just in the number of cleaners, but also in terms of quality and the ability to overcome challenges. They have upgraded their cleaning process a lot and now proudly offer 100% safe and eco-friendly cleaning services in Melbourne. Also, they have added many new, cutting-edge solutions to their offerings, including the latest ?Electrostatic Virus Shield? technology, which is famous for its ability to kill up to 99.99% of germs with up to 30 days of protection.

And now, they have created and launched a fresh new website for their customers in Melbourne to make it easy for everyone to understand and avail the best quality commercial cleaning services Melbourne in their budget.

The Melbourne office of Clean Group has a dedicated team of highly skilled and trained cleaners, along with an area operations manager, who have been helping local businesses for many years now and correctly understand their cleaning needs. They have the best-in-class tools, equipment and cleaning solutions to provide efficient cleaning services and deliver results in line with clients? expectations.

The services offered by Clean Group Melbourne include, but are not limited to, office cleaning, medical cleaning, sanitising & disinfection cleaning, school cleaning, strata cleaning, commercial cleaning, church cleaning, gym cleaning, carpet cleaning after builders cleaning, warehouse cleaning, window cleaning and childcare centre cleaning. Besides this, they also provide floor to ceiling dusting services, garbage removal, and deep cleaning and steam cleaning services.
