January 15, 2021 - PRESSADVANTAGE -

A local dumpster rental service - Binz 2 You today announced that it will now be servicing Arroyo Grande, CA together with the neighboring cities of Santa Maria, Santa Ynez and Orcutt.

The dumpster rental company has a broad range of rental dumpsters that customers looking for waste removal dumpsters can select from. Besides their regular 10 yard dumpsters and 20 yard dumpsters; the company has special dirt dumpsters and concrete dumpsters that are designed for construction debris and yard debris removal. They seem to have cheap dumpster rentals at \$250 for both 10 yard and 20 yard containers. The company offers either a concrete dumpster or a dirt dumpster from \$250. According to pricing information found on their website; they have a 1-4 days rental duration allowing for additional days at \$10 for each additional day from the 5th day.

?Our goal is to make cheap dumpsters accessible to anyone that needs a dumpster in Arroyo Grande at a reasonable price. We think that everyone deserves affordable waste management solutions and we know

that there is a shortage with the rising demand for rental dumpsters. Binz 2 You will definitely be a breath of fresh air. You can expect reliable drop off and haul off services, flexibility in rental terms, clean waste dumpsters and utmost customer services," said Alex, the company's founder, in a press release.

According to their website; Binz 2 You seems to have specialized dumpsters for construction waste debris removal. Many dumpster rental companies do not accept dirt, concrete and other types of construction and demolition debris inside rental containers. They also have two regular size dumpsters for small and medium residential and commercial waste disposal projects. The company also seems to have a wide range of allowable items that one can dispose of using their dumpsters. It is however imperative for any customer to communicate with the company's representatives before scheduling an order, for more clarity on the company's allowable and prohibited waste items.

Seeking to find out about the company's reputation from sources independent of the company, one only has to turn to the internet to find recent ratings and reviews. True enough, Binz 2 You seems to have a great reputation based on the many positive customer reviews found online. Below is an example of one such review from a customer who seems to have rented a dumpster more than once from Binz 2 You.

"I have used Binz 2 You twice now for our business, and they have been wonderful both times. The dumpster was delivered within 24 hours of my request, and was picked up within 24 hours of notifying them it was full. They are fast, efficient, and the most reasonably priced company in the area," says Don C.

Those who are looking for a reasonably-priced dumpster in Arroyo Grande, CA or in the neighboring cities, can check the company's website and see whether or not the company is suitable for their needs.
