Customer Admires Ohio?s TK Roofing Roof Replacement Process for ?Terrific Attention,? Trustworthy Approach

January 15, 2021

Akron, Ohio - January 15, 2021 -
TK Roofing and Gutters got another 5-star rating for its terrific customer service and attention to detail. The Akron roof replacement company has an impressive track record of successfully completed residential roofing projects with transparency, honesty, and quality workmanship. The certified Ohio roofers can get roofing jobs done quickly with a guarantee that the work will last for years. Another 5-star review on their Google page is proof of their commitment to professionalism, workmanship, and quality.

Nelly Watson is happy to have chosen the best roofing contractors for her residential roof work. She exclaims, ?TK Roofing and Gutters did an incredible job with our 70+ square re-roof. Terrific attention to detail completed by an honest, trustworthy contractor!?

Owner Daryl Gentry, a certified roofing professional, has earned a reputation as the best roof replacement company in Ohio. ?While replacing or repairing your roof is important, what's equally important is the cleanup. We make sure that we tarp over your landscaping to preserve your home's curbside appeal. We run a magnet over your yard twice to make sure that any nails or staples are not left behind, and your family can walk in confidence through your yard.?

The family-owned roofing company in Akron, OH, has accomplished several successful roof replacement projects, with customer satisfaction in mind at every step. The roofing contractor in Ohio uses top-quality roofing materials along with the longest warranty in the industry to ensure excellent results every time. There is no denying the fact that an experienced roofing contractor can transform the look and feel of a dull, damaged roof. Having a professional residential roofer in Akron inspect the home?s roof routinely ensures proper roof maintenance can be taken to extend the life of the roof.

This reflects in the 5-star feedback ratings of TK Roofing and Gutters. Another customer who got his roofing replacement project done by the Akron-based certified roofing company, Chris Muzic, says, ?I had my roof completely replaced. The quality of workmanship was absolutely top-notch. They use good materials and don't cut corners. The quote was great and actually beat out multiple other companies. These guys had my roof done in basically one day; talk about impressive. I live in Northfield; they are out of Akron and had no problems with distance. TK Roofing changed my perception of roofers; they could not have been more professional. This is a company that I highly recommend.?

The fully insured and bonded roofing company in Akron has been in the roofing business for more than 15 years. Its website is a hub of information and a point of initial contact for those interested in professional Akron roofing services. The best Ohio roof replacement company can be contacted over the telephone or by email.
