Santee, California - January 22, 2021 - PRESSADVANTAGE -

California based Lantern Crest Senior Living would like to inform San Diego residents of their luxury retirement living facilities. The center provides senior citizens with a comfortable, safe place to call home in their twilight years. The San Diego retirement living center offers everything necessary for retirees looking to enjoy their retirement years and is well known among local seniors and their families for the comfort and peace of mind it offers.

Lantern Crest is a vibrant, beautiful East County community where the elderly get to enjoy an active lifestyle in the company of their neighbors. The facility's employees are dedicated to providing the very best in terms of housekeeping and maintenance as well, allowing residents to lead a happy and carefree life full of opportunity. It offers a wide range of activities, including trips to feed the ducks at Santee Lakes or to the Old Globe-Balboa Park Performing Arts Center.

"At Lantern Crest, the choice is always yours," says the San Diego senior living provider. "Lantern Crest Villas offers fun activities in-house and scheduled offsite events, so there's always a variety of things to do. Be active, relax, stay in, enjoy time outdoors and meet up with friends and family. That's what Lantern Crest

Villas living is all about: living your way. The best way to discover everything that Lantern Crest Villas offers is to come see the villas yourself! Talk to our current residents and find out how much they're enjoying life here. Every resident loves something different about our El Cajon area independent living villas, but there's one point that all agree on ? they wish they had found Lantern Crest sooner!?

At Lantern Crest, the happiness and fulfillment of their senior residents comes first. They offer a wide range of services and amenities, including a heated outdoor swimming pool and Jacuzzi, an indoor/outdoor fitness center, over 300 cable channels including premium channels, high speed Wi-Fi in all apartments and common areas and much more.

Lantern Crest places a great deal of emphasis on each and every resident having a socially connected lifestyle replete with activities and outings. The living community's luxurious resort-style setting provides compassionate individualized services tailor-made to fit the needs and preferences of every resident. Lantern Crest ensures that no resident is bored or alone for long. Residents are constantly doing something, going somewhere, meeting someone or learning something new. The goal is to provide enough luxury to ensure that their retirement years are relaxing and peaceful ? but also enough activity to keep them entertained and socially active.

Residents at Lantern Crest have written or given oral testimonials praising the Lantern Crest staff for providing them with a happy, comfortable life. One resident says, "Before I moved to Lantern Crest, I relied on my children and neighbors to help me with my medications, take me to doctor's appointments and prepare my meals. Now that the Dedicated Caregivers at Lantern Crest have taken over that assistance, my family and I have far more time to simply relax and enjoy each other's company. My grandkids, especially, love visiting, as they have a blast in the outdoor pool. So do I, when I'm working out in my Aquasize classes. I'm also part of a Tight-Knit Social Group, and look forward to the Men's Club meetings where I can share stories with the other Resident Veterans. My only wish is that my family had found Lantern Crest sooner!?"

A 5-Star Google review from the son of one of Lantern Crest's residents, Richard, says, "Lantern crest has been part of my parents' journey into retirement the year of 2019. Started in the villas (awesome) moved to independent living apartments. Now to memory care. The sales staff, the operations staff, the restaurant. All 100% top notch. Everyone is sooo nice and cares about residents. They truly care."
