January 20, 2021 - PRESSADVANTAGE -

KBG Insurance and Financial, an insurance agency in Spokane, Washington, is offering a wide range of insurance products and services such as auto insurance, homeowners insurance, life insurance, dental insurance, disability insurance, commercial property insurance, group insurance, general business protection, financial and retirement planning, and recreational vehicle insurance. KBG works with companies such as Travelers, Liberty Mutual, Safeco, Allstate, Grange, and Progressive to provide a plan that is perfect for every customer.

KBG distinguishes itself by offering access to multiple insurance providers and a wide range of products. It encourages businesses to get insurance from an independent agency and details its reasons in a press release that can be read at <http://www.digitaljournal.com/pr/4927948>. KBG also supports easy switching from provider to provider without hassle. They claim to offer unbiased and objective advice every time, in contrast to their competition, who they claim try to sell and support only their own company. They provide claims assistance and advocacy whereas, with other insurance agents, adjusters are often exclusive to one company or there is no help available. Another distinguishing factor is that Kingdom Builders Group offers policy service from the same person that the policy is bought from. KBG says that captive agents or 1-800

companies either direct customers to a call center or offer a service where the customer will never likely talk to the same person twice.

On its website, there are options to contact an agent for assistance or to start instant home and auto insurance quotes with a recommended option. They offer the same personalized service to business clients. Customers can either use the contact form on its website or call them directly to start the process immediately. They even offer the same fast service for other services such as questions, policy changes, claims, or any other requests. The company understands its social responsibility and makes sure to participate in charity events whenever possible. The company says that being active in charitable causes helps it stay in touch with the pulse of the community and garner goodwill. They raised over \$30,000 for a local charity Bite2Go that feeds kids on the weekends, in October of 2020. They also contribute to Shoes2Play, Ronald McDonald House, and YoungLife as well as a few other affiliations in the Spokane community. They maintain an initiative where for every policy they sell, they help one child. They call it "1 Policy = 1 Child". The company says that its charitable causes are a part of a movement and it encourages its customers to join by participating alongside it.

A review of the company's service by Brooklyn Smith says, "Josh always went above and beyond to ensure I was taken care of. He was very helpful, responsive, and considerate. Josh took the initiative any chance he could to get me a lower rate and save me money! At this time, I have insurance paid through my work, however, when the time comes again, I will definitely be choosing him as my agent. I would 10/10 recommend him to all of my family and friends. Thank you, Josh, for all you have done to make all of my insurance needs a smooth and simple process!?"

Another review by Marissa Taylor says, "Having moved from out of state and needing to find a new and affordable insurance policy quickly, I was so grateful to have Joshua help me shop for the best policy I could find. My entire experience at KBG has been extremely helpful. Joshua has always been accountable, reliable, and genuinely interested in helping me out. I highly recommend this company and Joshua!"
