January 19, 2021

Akron, Ohio - January 19, 2021 -

Akron, OH-based TK Roofing and Gutters, explains the need to hire the right roofing contractor to build a quality roof. The residential roofing company in Ohio prides itself on its excellence in the roofing industry. The article opens with an emphasis on finding a roofing contractor with proper insurance and licensing for itself, employees, and subcontractors and confirming their status online.

TK Roofing and Gutters is known for its highly efficient and well-equipped team of roofing professionals. Akron's residential roofing company asserts the need to talk to several local companies to compare their bids and gauge an honest and reasonable price range while cautioning against unreasonably low or high bids.

The top Akron roofing contractor suggests trusting "word of mouth references" and compare all options to find the best company for the job. "If no one you know has had roof work done recently, check with local hardware stores or lumber yards for recommendations," the owner, Daryl Gentry, says.

TK Roofing and Gutters is known to offer the best-value services for clients. The Akron, OH, roofing company advises choosing the best residential roofing contractor in Akron based on their expertise, quality of work, and affordability. The family-run roofing contractor suggests making an educated decision after reviewing all options and running away from a business that "tries to pressure you into signing a contract."

A careful review of the contract and warranties is essential before signing it. The best roofing contractor in Akron, Ohio, allows clients time to read the contract and ask questions to ensure a proper understanding of the terms of the agreement. TK Roofing and Gutters offers a 10-year workmanship warranty. "You also want to understand what the warranty is going to cover for added peace of mind. It's important to have follow-up support in case something were to happen to your roof," Daryl says.

TK Roofing and Gutters is a reliable Akron roofing contractor, an expert in keeping roofing projects safe. The company boasts a team of enthusiastic and knowledgeable professionals and allows clients to participate in the decision-making process.

Testimonials on the company website speak of their professionalism and excellence as the best roofing company in Akron. Tom Horner, one of the happy customers, writes, "Today they delivered the paperwork for the warranty on the roof TK Roofing installed last week. We are extremely pleased that we chose this company to do the roof. They showed up at 7 AM on the day promised (last Friday) and finished in one day. (Although they were here until 7 PM). They cleaned up thoroughly, and I could not even find any nails left in the grass. Most important, yesterday we had very high winds in the area, and when I went out this morning, I could not find even one shingle that appeared out of place."

TK Roofing and Gutters has been in the business of roofing replacement and repair since 2005. The Ohio roofers believe in honesty, transparency, and fairness in business. They follow a client-first approach backed by superior workmanship and quality products and services.
