January 22, 2021 - PRESSADVANTAGE -

Grant Percy Fencing, a local Fence Contractor company, is proud to announce the development of their new website. The company believes the new look website will help to grow the business and be a much better design to be able to serve and communicate with their customers more efficiently.

"We believe that having a well built and easy to use website with all of our services, reviews and completed fencing jobs, will help our customers decide if we are a good choice for their requirements," said the owner of Grants Fencing, Grant Percy.

With their new website, there is information on the different services for fence repairs and new garden fencing installations; in Bristol they offer, Fence Repairs, Fence Installations, a summary about the company, a gallery highlighting the latest before and after projects, they also have showcased their latest reviews and recommendations from their many happy customers. There is also information on all the ways to contact them for questions or to schedule an appointment or requesting a quote.

Grant Percy Fencing is an established company that began in 2013. It provides services for both residential

and commercial customers. Grant has been working with fences for over 30 years, Grant and his staff are ready to inspect and fix any garden fence issues that are thrown their way. They service and do repairs in tasks like new fences, repair and replacement. The company offers 7-days a week availability and can schedule work to best suit customers.

?Our customers always come first and we work hard to provide the best service possible that satisfies their needs,? Grant Percy said. ?With spring approaching and the majority of people are now at home, we are finding more people want to have a more secure and private area where they can relax and enjoy their gardens. We are always ready to help with any of those issues that our customers have.?
