

Announcing the Your Business, Better! Bootcamp - Building Solid Business Foundations, Part 1 starts 9/29/15

September 11, 2015

September 11, 2015 - PRESSADVANTAGE -

Atlanta, GA: The Biz Garage LLC is launching Your Business, Better!, an intensive, systematic, comprehensive, 10 week Bootcamp starting September 29, 2015, is designed to help business owners streamline their processes. Each session will include an introduction, discussion and exploration of one of the key elements required to build a solid foundation on which to grow their businesses: Passion & Purpose, Process, People, Product, Place, Pricing, Positioning, and a few other important P's. This program is designed to put businesses on the right track for success. The processes and perspectives learned in class can be used over and over to continue strengthening the business.

The Biz Garage specializes in being an objective, non-judgemental coach for businesses. "Getting service at The Biz Garage has helped me achieve clarity, consistency and confidence. Every consultation keeps my business focused and prepared for each step of growth. If you want the best, you want The Biz Garage!" Karlos Walkes, Founder & President of Flagstamp.

Instructor Mike Ames of The Biz Garage offers tailored, affordable, one-on-one and group business building

programs for business owners serious about making changes, and ready to take their performance to the next level. Most recently The Biz Garage has been involved in the following events:

** Leading workshops and moderating the monthly Entrepreneur's Breakfast Club panel discussions at General Assembly Atlanta

** Leading team-building workshops at Startup Pirates Atlanta

** Hosting the Founders' Roundtable Meet-up group for Atlanta area founders, entrepreneurs and small business owners

About The Biz Garage: Mike Ames is the CEO and "Chief Mechanic" of The Biz Garage, a company that aims to help business owners, and their businesses, unleash their untapped potential and thrive.

Before relocating to Atlanta, Mike worked for several small businesses in the Savannah area specializing in operations management and strategic planning. Prior to that he spent more than 10 years at Coca-Cola doing operations, project and customer relationship management, and earned his MBA at The University of Michigan.
