February 01, 2021 - PRESSADVANTAGE -

London, Ontario based Maria Gudelis Coaching is pleased to announce that one of their clients, the Product Boss, has reached over one million dollars of revenue in a year. Maria Gudelis Coaching specializes in digital marketing, sales funnels, product launches and webinar coaching.

The company is led by Maria Gudelis, who has been in the field of business for many years. She takes pride in the recent success of one of her clients, The Product Boss, who recently crossed an outstanding revenue milestone within a year. In a testimonial featured on Maria Gudelis's website, Jacqueline and Minna from The Product Boss state that they achieved such success, "by working with Maria, who was instrumental in launching our first course. With her strategy and step by step action tips, we got to one million in revenue within one year! We couldn't have done it without her."

When asked about the success of The Product Boss, Gudelis says, "I've created multiple 7-figure companies " from coaching and information products to software companies " that were funded by Google's chairman,

Eric Schmidt. Now that I'm in my 50s, I want to expand into coaching and leave a legacy for my clients to grow their business beyond 7 figures and impact thousands of entrepreneurs.?

She continues, "When Facebook Ads started to become available, I think I was one of the first to start using them back in 2009 or so, after investing \$10,000 in a coach to get better at marketing campaigns and even published a book on social media advertising." Her journey started when she had her corporate stint right after college through working for Price Waterhouse, Computer Sciences Corporation and Deloitte and Touche. Furthering her experience in the corporate field, she eventually established an online hosting company in 2000. Combining these experiences (and the qualities she got from her tenderhearted mom and her business-minded executive dad), Maria Gudelis has developed a host of unique traits and that make her the valuable coach she is today.

Over the course of a decade, Gudelis has helped develop multiple million-dollar online companies and taught over 30,000 people globally. Using her trademarked "FastTrack Blueprinting" methodology, her clients have experienced significant growth in their respective businesses and fields. Her key skills in marketing and copywriting act as a catalyst to her clients' businesses, resulting in increased revenues and asset values.

Gudelis is widely considered a well-grounded coach, and this is backed-up the many testimonials that are featured on her website. Anita Boyer, a former client, says, "Maria, along with Angie and the Done-for-You team are fabulous - they are very fast, thorough and are easy to work and communicate with. My ability to quickly begin measuring success using Maria's programs lies in her openness - her transparency on how she's making it happen online, coupled with her giving us no-holds-barred simple to follow blueprints for building a viable marketing business. On top of that, she exposes the very resources, services and tools she uses for her own marketing successes that we can use, too. This is the beginning stage for me, and the results are already huge. I'm excited to see what's to come!"

Jim Kellen from Smart Choice IM also says, "Six months ago, I was lost and confused, and today I have a very bright path in front of me, which I know is leading me to great success. I cannot begin to explain how excited I am and how truly grateful I am to have found you! Maria, thank you so much for all you do and for giving so much of yourself to help others find the success that we all want out of life! You are such an inspiration, and a Godsend for many!"
