January 27, 2021 - PRESSADVANTAGE -

Destin, Fla.- The beach can be a wonderful destination for a winter get-away. To make it even better, a luxury travel agency in Destin, FL is offering two free rounds of golf to travelers who book a trip to a Florida rental property with Have Travel Memories during the month of January. The company saw success when they ran this offer in December and hope to encourage similar results.

The beach is not just for summer fun; a beach trip during the colder months of the year is a great way to get away from a winter freeze! While some people may not prefer swimming or boogie boarding during the winter, the cooler temperatures make winter a great time for volleyball on the sand by the water, biking along the beach, relaxing on the sand during the day, and huddling up with loved ones in the evening around a campfire.

Right now, Have Travel Memories is adding one more activity to that list, free of charge. Those who book a trip to a rental property in Florida with Have Travel Memories during the month of January will receive two free rounds of golf. Because golf is an activity that people of all ages can partake in, it can be a perfect source of light exercise during a relaxing vacation. Have Travel Memories is offering a wide variety of vacation rental properties. Their selection of vacation rentals and availability is available to peruse on their website.

As a travel agency and cruise planner, Have Travel Memories exists to provide individuals, families, couples, and travel groups with the trip of their dreams at a price they love. Just like any other industry, the travel industry fluctuates over time, especially during the last year. Have Travel Memories is dedicated to remaining knowledgeable about travel trends, current travel restrictions, and current traveler desires.
