?We called for an overnight stay. We got a call back within an hour,? stated recent reviewer Walt N. ?We love this place, near the water with a stream running between, dividing the park. We were given a list of places to go eat on the shore (long drive) we opted to go closer to the park. Love seeing the Pelicans diving and such. Very clean, well-kept sites, and dog walk. One would have to stay longer to really enjoy the things to do,? the reviewer continued.
