

5 Star Disposal Now Delivers All Size Dumpsters in Murfreesboro TN

January 28, 2021

January 28, 2021 -
Local dumpster rental service 5 Star Disposal announced that it will now be delivering all size dumpsters in Murfreesboro, TN, to ensure that all its customers can get roll-off containers in the sizes they need.

Dave, a company representative, said that 5 Star Disposal had realized an apparent shortage of the dumpster rental variety in Murfreesboro, TN. For a long time, customers had to make do with the available sizes of containers. The company promises that people in the area needing roll off containers could now choose between small dumpsters, medium size dumpsters, and large dumpsters depending on their project needs.

According to Dave, 5 Star Disposal is a company that is customer-focused and sensitive to the needs of its customers. Dave further said that the company anticipated that because customers could now access a wide variety of dumpster rentals to select from, the company expected more homeowners, businesses, contractors and companies in the area would be ordering dumpsters in the coming weeks and months going forward. He

also guaranteed that the company had the capacity to meet the expected rise in demand for rolloff dumpster rentals in Murfreesboro, TN.

According to information given by the company representative and information posted on their website; the company offers four dumpster size options which are; 11 yard dumpster rentals from $249, 15 yard dumpster rentals from $299, 20 yard dumpster rentals from $425 and 30 yard dumpster rentals from $550. Their roll off dumpster rentals differ in volume and weight limits. Their smallest dumpsters; the 11 yard containers have a 1 ton weight limit while their largest dumpster, the 30 yard rental bin having a weight limit of 4 tons.

The company offers roofing dumpster rentals, commercial dumpster rentals, residential dumpster rentals and a weekly residential trash service. Although 5 Star Disposal offers dumpster rentals for construction debris removal; the company as of now does not accept various types of construction waste including: dirt, concrete, manure and asphalt. However; they accept almost all other types of waste including; wood, shingles, yard debris, general household waste, furniture, tiles, carpeting, mattresses and even industrial waste.

5 Star Disposal also offers disposal options for customers who are looking to dispose of electronic appliances, television sets and tires off the rim at a small charge but they require that customers notify them and leave the item outside the dumpster and not mixed with other types of materials.

The company also delivers to other surrounding cities in Tennessee besides Murfreesboro. These cities include; Smyrna, Shelbyville, La Verge, Woodbury and their nearby towns. They also mention that they deliver to other nearby locations not listed in their service area page and customers who live nearby should give them a call if they don?t see their locations listed.
