London, UK, SEP 6, 2015 ? Founded in 2001, the exclusive Hulchi Belluni jewellery line renowned for its detail and exquisite finish is now available from award-winning Reading jewellery shop, Jacobs The Jewellers (www.jacobsthejewellers.com). A new blog post entitled 'Notable Reading Jewellery Shop Carries the Belgian Brand Hulchi Belluni' was just published with further details regarding this exclusive engagement.

The article discusses the pride with which the shop is operating under having been chosen as one of the only 14 Hulchi Belluni accredited agents within the United Kingdom that will have the chance to offer the Belgian brand?s Feng Shui-inspired collection: Funghetti. According to the Hulchi Belluni website, this jewellery collection is designed following the rules of Feng Shui and 'presents a visible, balanced interaction between all 5 Feng Shui elements: wood, fire, water, earth and metal. The jewel bubbles with lively energy (wood), it blazes and radiates power (fire), yet it is quenched by organic and wavy features (water) and it makes romance (earth) overflow in peace and luxuriousness (metal)'.

The Reading shop, as the article notes, is 'intimately familiar with how the Belgian brand?s lead designer Martine Hul was able to create exquisite and magnificent pieces that radiate positive energy and blissfully

bring balance to the body'. Offering the Hulchi Belluni collections will complement Jacobs?s other jewel ranges, such as necklaces, bracelets, and engagement rings for both Reading residents and U.K. customers.

?The pieces really are exquisite,? stated the blog's author. ?On can almost feel the positive energy radiating out of them. They also show an aesthetic balance rarely achieved when making pieces such as this collection.?
