February 02, 2021 - PRESSADVANTAGE -

KBG Insurance & Financial, an insurance agency in Spokane, Washington, announced that it has added Mutual of Enumclaw to its list of insurance providers. Mutual of Enumclaw offers policies such as homeowners insurance, auto insurance, commercial insurance, family cyber protection insurance, and farm & ranch insurance.

The addition of Mutual of Enumclaw to KBG's already stacked list of insurance providers such as Travelers, Liberty Mutual, Allstate, Progressive, Safeco, Hartford, Grange Insurance Association, Nationwide, and many others ensures that KBG's customers always have premium options to choose from to save them money. Mutual of Enumclaw was established in 1898 and only provides policies in Washington, Oregon, Idaho, Utah, Arizona, and Montana. This has also increased the range of states that KBG is currently serving to encompass the states that are served by Mutual of Enumclaw. It has also made them more competitive in the market allowing them to better serve their customers.

KBG Insurance & Financial has helped over 313 customers with homeowner's insurance with their new homeowner's insurance-save program. Since they are an independent insurance agent, they can offer lower

premiums for a wide range of insurance types. This is in contrast to captive insurance agents who are obligated to offer fixed premium amounts. KBG believes that combining choice with excellent customer service is their USP in the competitive insurance market. The company also prides itself on the fact that being independent, they can represent their clients instead of a particular insurance provider. They stand by their client's sides when they fill out claims and advocate on their behalf too. This goodwill has kept them on the top of their clients' minds and kept them coming back and bringing newer business through referrals.

KBG Insurance & Financial is also dedicated to providing for the local community in Spokane Washington. They contribute to their charity Shoes2Play, as well as a few other affiliations in the Spokane community. They also donate to Bite 2 Go, Ronald McDonald House, and YoungLife. Their motto is "1 Policy = 1 Child" which means that for every policy that they sell, they pledge to help one child. The founder of the company, Joshua Loera, says that he wholeheartedly believes in the movement that they are starting and is encouraging more companies and individuals to become a part of it.

Joshua Loera says, "I firmly believe that we should become the change that we want to see in the world. We already work hard to provide the best insurance policies for our clients. When we are not focused on serving our clients, we are racking our brains for ideas to give back to the community. It is only through small steps that we can bring about a sea change. Our charity work allows us to take those tiny steps towards a better world. We are excited about the future and we ask you to join us on this journey. Apart from supporting a good cause, you are going to get policies at low premiums and excellent customer service to go along with it."

A testimonial of the company's service on its Google My Business page by Sandee Welke, says, "Josh is an awesome businessman. He found me an excellent rate with a company outside the 'big' names. The quality of policy is excellent. No need for a big name with big prices! Josh is your man. Which to respond and answers the phone promptly. Very personalized service."

Another testimonial of KGB Insurance & Financial by Brooklyn Smith, says, "Josh always went above and beyond to ensure I was taken care of. He was very helpful, responsive, and considerate. Josh took the initiative any chance he could to get me a lower rate and save me money! At this time, I have insurance paid through my work, however, when the time comes again, I will definitely be choosing him as my agent. I would 10/10 recommend him to all of my family and friends. Thank you, Josh, for all you have done to make all of my insurance needs a smooth and simple process!?"
