

Prime Finish Cambridge Decorating Company Announces Website Redesign

February 03, 2021

February 03, 2021 - PRESSADVANTAGE -

Prime Finish Cambridge, a local decorators company, is proud to announce the development of their brand new website. The company wanted a new look website with a focus on functionality and usability for their customers to be able to easily access relevant information regarding the company's new decorating services.

"We believe that having a well designed and easy to navigate website with all of our services, reviews and completed decorating jobs, will help our customers to decide if we are a good traditional decorating choice for their specific requirements," said the owner of Prime Finish Matthew Wratten.

Incorporated within their new website layout, there is information on the three main services that they offer; in Cambridge they offer, Interior Decorating, Exterior Decorating, and Hand Painted Kitchens. The website also has a summary about the company, a completed gallery highlighting the latest before and after projects, some recent decorating case studies. They also have showcased their latest reviews and recommendations

from their many happy customers. There is also information on all the ways to contact them for questions or to schedule an appointment or to request a quote.

Prime Finish Cambridge is an established painting and decorating company that began in 2016. It provides services for both residential and commercial customers. Matthew has been working in decorating for over 15 years, Matt and his staff are ready to inspect and advise on all property types and are specialists in traditional decorating. The company offers 7-days a week availability and can schedule appointments to best suit customers.

Customers satisfaction is always our main concern and we work hard to provide the best service possible to exceed all of their requirements, Matt said. With spring approaching and the majority of people are now at home, we are finding more people want to start the year with a fresh new look, what's a better spring clean than a new lick of paint. We are always ready to help discuss colour schemes and decorating options to make the most of all areas.
