

CTX Dumpsters Now Providing Same Day Dumpster Rentals in Killeen, TX

February 05, 2021

Round Rock, Texas - February 05, 2021 -
CTX Dumpsters, a reputable local Austin dumpster rental company, announces that it will now provide same-day dumpster rentals to homeowners, businesses, and other dumpster rental customers in Killeen and the surrounding areas.

The company?s founder, Mr. Jeremy Thrailkill, says that they were excited to share this news with customers and put in place measures to ensure that any customers can rent a dumpster and have it on their driveway or business site before the day ends.

Mr. Thrailkill further stated, ?Some waste disposal projects are actual emergencies that require a time-sensitive response. The success of such projects usually requires having a dumpster on site quickly, and finding affordable same day dumpster rentals in Killeen is an uphill task. CTX Dumpsters is excited to inform customers that the company has acquired even more roll-off dumpsters to ensure that anyone who needs a dumpster in an emergency or for a project where time is of essence can get it on-time and at a

reasonable cost.?

The company provides different size dumpster rentals, covering a wide range of projects, both large and small. Their dumpster sizes include; 10-yard roll-off dumpsters, 13-yard roll-off dumpsters, 15-yard roll-off dumpsters, and 20-yard roll-off dumpsters. The company?s roll-off containers can be rented beginning from $249 for their 10-yard rental bin that has a capacity of up to 3 pickup truck loads worth of trash, $279 for their 13-yard dumpster which can haul up to 5 pick up truck loads worth of trash, $299 for a 15-yard roll-off container with a capacity of up to 7 pickups truckloads and $329 for a 20-yard dumpster with a capacity to haul up to 9 truckloads worth of trash.

The types of projects that CTX Dumpsters? containers are commonly used for include residential and commercial junk removal and waste disposal. These include projects like yard maintenance, home renovations, drywall or shingles replacements, remodels, and cleanouts. The company also provides dumpsters for projects that involve hauling bulky items or junk. According to information on the company?s website, CTX Dumpsters also includes construction dumpster rentals, but they only accept some types of construction waste, including roofing shingles, wood, and lumber.

CTX Dumpsters allows a wide variety of waste and junk materials on its dumpsters. Apart from biohazards, toxic waste, and medical waste, the company also prohibits construction waste like bricks, dirt, rocks, and concrete on its dumpsters. They also do not accept any manure on their dumpsters.

People interested in renting a dumpster from CTX Dumpsters or any other dumpster rental service in Killeen are advised to read the fine print on a company?s rentals terms and even call the specific company just for clarity to avoid steep charges in contamination fees.

The company?s service area covers many cities in Central Texas that include; Killeen, Austin, Pflugerville, Temple, Austin, Liberty Hill, Lampasas, Georgetown, and Cedar Park, to name a few. They also mention on their website that they will deliver to central Texas areas near their service areas but may not be listed on their website.
