CTX Dumpsters Expands Dumpster Rental Services To Serve Residents in Temple, TX

February 05, 2021

Round Rock, Texas - February 05, 2021 -
CTX Dumpsters, a local Austin rental company, today announced that it had expanded its dumpster rental services to Temple, TX. The company is ready to provide affordable, reliable, and fast dumpster rentals to homeowners, communities, businesses, companies, contractors, institutions, and anyone who needs a waste removal dumpster.

Located in Austin, TX, CTX Dumpsters has provided reliable dumpster rental services to Central Texas residents for many years. According to information provided on the company's website and reiterated by the company's founder, Jeremy Thrailkill, CTX Dumpsters takes pride in being a local Texas dumpster rental company committed to serving a purpose and making a difference in the community.

"CTX Dumpsters is not a new company; if anything, it is a company that has grown so much over the years it has been serving customers across different cities in Central Texas and has earned its position as a reputable dumpster rental service in the region," said Mr. Thrailkill.

He also added that the company seeks to provide reliable and fast dumpster rental services to customers and

strike a balance between being dependable and ensuring that the services are affordable for the regular homeowner or business owner. Mr. Thrailkill further credited the growth and success of CTX Dumpsters to the dedication of its experienced and knowledgeable employees and also the goodwill and the faith of its customers.

The company offers roll-off dumpsters in different size containers that customers can select depending on a dumpster's capacity and how suitable it is for a specific project. CTX Dumpsters has priced its dumpsters reasonably, with their smallest roll-off container costing $249 and their largest roll-off dumpster costing $329. They have 10-yard dumpsters, 13-yard dumpsters, 15-yard dumpsters, and 20-yard dumpsters. These dumpsters differ in capacity and weight limits, but they all have a standard 1-7 day rental period.

CTX Dumpsters are focused on commercial dumpster rentals and residential dumpster rentals. They accept a wide range of materials on their rental bins, but like any other dumpster rental service, they have waste items or materials that they prohibit. The company cannot legally accept hazardous materials or medical waste.

Although CTX Dumpsters offer roofing dumpster rentals and accept some types of construction waste; they limit the type of construction waste they allow in their dumpsters for their employees' safety. The company does not currently allow customers to use their Dumpsters to haul off some construction waste, including; bricks, cement, dirt, or rocks. They also disallow all types of manure.
