

5 Star Disposal Now Providing Same Day Dumpster Rentals in Shelbyville, TN

February 05, 2021

February 05, 2021 -
5 Star Disposal, a local dumpster rental company, announced that it had introduced same-day delivery services in Shelbyville, Tennessee. Customers in the area and the surrounding areas can now enjoy same-day dumpster rentals.

5 Star Disposal today in a press release reiterated its commitment to offer its customers in Shelbyville even faster dumpster rental services. According to the company?s representative, Timothy; the company recognized the need for same-day dumpster rentals in the city and decided to step up and ensure that customers who had time-sensitive projects or emergency waste disposal projects could call to rent dumpsters and have them delivered to their locations within the same day.

Dave also said that the move was long overdue. The company had faced difficulties acquiring new dumpster rental containers because of technical issues and had to work with a limited supply of rental bins. 5 Star Disposal also wanted its customers to know that they now had a more extensive collection of rental

containers to meet the demand for waste removal dumpsters in the area.

The company also has an active profile online and several positive reviews from customers who have used 5 Star Disposal?s services and testify that they experienced 5-star customer service, reliable dumpster delivery, and an overall stress-free experience during their rental period. The company has been rated on Yelp, Google and has a good standing on The Better Business Bureau. Here is a link to their Facebook page: https://m.facebook.com/5stardisposal/

The company offers rental containers in four dumpster sizes. They have 11-yard dumpsters that customers can rent for 1-3 days with pricing beginning at $249. The 11-yard dumpster has a 1-ton weight limit and a capacity size of roughly four and a half pickup truck loads. They also have 15-yard dumpsters that customers can rent, beginning at a $299 rental fee for 1-3 days. The 15-yard dumpster has a 2-ton weight limit and a capacity equivalent to 6 pickup truck loads. They also have 20-yard dumpster rentals from $425 for a 1-7 day rental period and up to 3 tons of material. Lastly, they offer 30-yard dumpster rentals for 1-7 days beginning from $550. The 30-yard dumpsters have a roughly equivalent capacity to 14-16 pickup truck loads and a 4-ton weight limit.

According to information found on their website, 5 Star Disposal dumpsters are designed to haul commercial and residential waste with construction waste limited to roofing debris removal. They accept a wide range of waste materials from different projects, including mattresses, yard debris (except manure), construction debris (except concrete, dirt, metals & asphalt), general residential waste, furniture, wood, lumber, carpeting, drywall, shingles, and other materials. They also offer disposal of TVs, electric appliances, and tires off the rim at a small extra charge, and customers are advised to notify the company beforehand and leave the materials outside the rental dumpsters.
